

XII International Academic Conference on Economic and Social Development

Preliminary program

Section A. Banking and Finance.	5
<i>Session A-01. Empirical analysis of stock markets in developing countries.</i>	5
<i>Session A-02. Banks.</i>	5
<i>Session A-03. Efficiency 1.</i>	5
<i>Session A-04. Efficiency 2.</i>	6
<i>Session A-05. Finance & Markets 1.</i>	6
<i>Session A-06. Finance & Markets 2.</i>	6
<i>Session A-07. Risk analysis.</i>	7
<i>Session A-08. Regulation</i>	7
Section B. Civil Society and Democracy.	7
<i>Session B-01. Legal regulation of rights and freedoms (case of Russia)</i>	7
<i>Session B-02. Social Capital and State</i>	8
<i>Session B-03. Models.</i>	8
<i>Session B-04. Civic Society - 1</i>	8
<i>Session B-05. Civic Society - 2</i>	9
Section C. Demography.	9
<i>Session C-01. Demographic problems of migration.</i>	9
<i>Session C-02. Labor migration.</i>	9
<i>Session C-03. Socio-demographic problems - 1</i>	9
<i>Session C-04. Socio-demographic problems -2</i>	10
<i>Session C-05. Demographic processes in CIS - 1.</i>	10
<i>Session C-06. Demographic processes in CIS – 2.</i>	11
Section D. Labour Market.	11
<i>Session D-01. Labour Market - 1</i>	11
<i>Session D-02. Labour Market - 2</i>	11
<i>Session D-03 Labour Market – 3</i>	12
Section E. Public Administration.	12
<i>Session E-01. Public procurement - 1</i>	12
<i>Session E-02. Public procurement - 2</i>	12
<i>Session E-03. Public procurement - 3</i>	13
<i>Session E-04. Regulatory Impact Assessment</i>	13
<i>Session E-05. Analysis of the practice of Public Administration</i>	13
<i>Session E-06. Analysis of Corruption - 1.</i>	14
<i>Session E-07. Analysis of Corruption - 2.</i>	14
Section F. Macroeconomics and growth.	14
<i>Session F-01. Macroeconomic problems of post-crisis development of Russian economy.</i>	14
<i>Session F-02. Crisis and crisis management policies</i>	15
<i>Session F-03. The sources and mechanisms of economic growth</i>	15
<i>Session F-04. Monetary policy and inflation.</i>	15
<i>Session F-05. Model of economic development.</i>	16
<i>Session F-06. Institutions and Development</i>	16
<i>Session F-07. Russia’s Challenge of Post-Crisis Development</i>	16
<i>Session F-08 Inflationary expectations</i>	17
Section G. Management.	17
<i>Session G-01. Business processes in Russian companies</i>	17
<i>Session G-02. Inter-firm collaboration and competitive advantage.</i>	17

<i>Session G-03. Management in Corporations</i>	18
<i>Session G-04. Social organization of firms and human resource management in business organization</i>	18
Section H. World Development and Politics.	18
<i>Session H-01. Policies of countries and groups - a factor of elites</i>	18
<i>Session H-02. Russian - European relations: between strategic alliances and zero-sum game.</i>	19
<i>Session H-03. The regional dimension of international political processes</i>	19
<i>Session H-04. Arctic Power and Politics</i>	19
<i>Session H-05 New structural factors of world economy.</i>	20
<i>Session H-06. The impact of world trade and integration processes for the development of the national economies -1</i>	20
<i>Session H-07. The impact of world trade and integration processes for the development of the national economies -2</i>	20
Section I. Science and Innovations	21
<i>Session I-01. Science and Innovations in the economy: results of the empirical research -1</i>	21
<i>Session I-02. Science and Innovations in the economy: results of the empirical research -2</i>	21
<i>Session I-03. Perspectives of innovation development</i>	21
<i>Session I-04 RTD, technological development, and investments: microeconomic analysis</i>	22
<i>Session I-05. Mathematical modelling and evaluation of innovations</i>	22
<i>Session I-06. Innovations and economic development of regions</i>	22
Section J. Political Processes.	23
<i>Session J-01. Political systems</i>	23
<i>Session J-02. Political environment</i>	23
<i>Session J-03.</i>	23
<i>Session J-04. Parties</i>	24
<i>Session J-05. Voting</i>	24
<i>Session J-06. Values -1</i>	24
<i>Session J-07. Values -2</i>	25
<i>Session J-08. Values -2</i>	25
Section K. Educational Development	25
<i>Session K-01. Global and national trends in higher education</i>	25
<i>Session K-02. Educational trajectories in the social context</i>	26
<i>Session K-03. The possibilities of using Unified State Examination in research</i>	26
<i>Session K-04. Economics and management of education</i>	26
<i>Roundtable: Programme two diplomas in Russian higher education</i>	27
Section L. Regional development	27
<i>Session L-01. From the crisis to modernization?</i>	27
<i>Session L-02. Regional economy: effects of agglomeration</i>	27
<i>Session L-03. Regional economy: structural transformation</i>	28
<i>Session L-04. Economics and politics in regions.</i>	28
<i>Session L-05. Institutes of Regional Development</i>	28
<i>Session L-06. Social development of regions</i>	29
<i>Session L-07. Regional development and information</i>	29
<i>Session L-08. Urban economy</i>	29
Section M. Social policy.	30
<i>Session M-01. Russian pension system: perspective of modernization</i>	30
<i>Session M-02. Social model and social inequality</i>	30
<i>Session M-03. Social potential of the older generation</i>	31

<i>Session M-04. The middle class in Russia: problems of formation during the modernization of the economy</i>	31
<i>Session M-05. Social capital, business and power</i>	31
Section N. Culture and Society	32
<i>Session N-01. Social differentiation, cultural and psychological differences</i>	32
<i>Session N-02. The Culture and innovations</i>	32
<i>Session N-03. Values and subjective well-being: consciousness and role models of Russians</i>	32
<i>Session N-04. Religion, ethnicity and modernization</i>	33
<i>Session N-05. Values, trust and social capital: cross-regional and cross-country comparisons</i>	33
<i>Session N-06. Creative industries, development of territories and quality of life</i>	33
<i>Round table N-07. Mobility and the creative potential of the territory</i>	34
<i>Session N-08. Psychological factors in the economic processes</i>	34
<i>Session N-09. Culture: Continuity and possible targeted changes</i>	34
Section O. Development of Healthcare System	35
<i>Session O-01. Social rehabilitation and socially significant diseases</i>	35
<i>Session O-02. Problems of increasing the efficiency of health care resources</i>	35
Section P. Sociology	36
<i>Session P-01. Social problems of entrepreneurship</i>	36
<i>Session P-02. Social problems of labor</i>	36
<i>Session P-03. Cooperation, conflict and class consciousness</i>	36
<i>Session P-04. Professions and professional mobility</i>	37
<i>Session P-05. Social well-being and modernization</i>	37
<i>Session P-06. Financial behavior of population</i>	37
<i>Session P-07. Network interactions and their influence on behavior</i>	38
<i>Session P-08. Sociology of children and youth</i>	38
Section Q. Theoretical Economics	38
<i>Session Q-01. Experimental economics</i>	38
<i>Session Q-02. Game-theoretic models - 1</i>	39
<i>Session Q-03. Game-theoretic models - 2</i>	39
<i>Session Q-04. Game-theoretic models - 3</i>	39
<i>Session Q-05. Property rights models</i>	40
<i>Session Q-06. Political economy - 1</i>	40
<i>Session Q-07. Political economy – 2</i>	40
<i>Session Q-08. Financial Models</i>	41
Section R. Firms and Markets	41
<i>Session R-01. Globalization of markets and the behavior of enterprises</i>	41
<i>Session R-02. Corporate governance and control - 1</i>	41
<i>Session R-03. Corporate governance and control – 2</i>	42
<i>Session R-04. Ownership Structure</i>	42
<i>Session R-05. Firms in the agricultural sector</i>	42
<i>Session R-06. Industrial markets and competition</i>	43
Section T. Law and Economics	43
<i>Session T-01. Development of antitrust law: problems of law and economics</i>	43
<i>Session T-02. Problems of international taxation in Russia</i>	44
<i>Session T-03. Economic and legal implications of political decisions</i>	44
Section U. Economic History	44
<i>Session U-01. Technology and industrial policies in the economic history of Russia</i>	44
<i>Session U-02. Databases and databanks in Economic History</i>	44
<i>Session U-03. Issues of agrarian history of Russia, XIX - XX centuries</i>	45
<i>Session U-04. Banking and Financial History</i>	45

<i>Session U-05. Incentives to work in the history of Russia</i>	46
<i>Session U-06. Incentives to work in the history of Russia - 2</i>	46
Section W. Methodology of economics	46
<i>Session W-01. Crisis and economic science: methodological lessons - 1</i>	46
<i>Session W-02. Crisis and economic science: methodological lessons – 2</i>	47
Section Z. EACES-HSE workshop for PhD students in comparative economics	47
<i>Session Z-01:</i>	47
<i>Session Z-02:</i>	47

Section A. Banking and Finance.

Session A-01. Empirical analysis of stock markets in developing countries.

Chairperson - Teplova Tamara (HSE)

Stolyarov Andrew Ivanovich (HSE)

Tlehugov Nikolay (HSE)

Insider trading on Russian stock market

Vaihekoski Mika (University of Turku)

Time-varying global and local sources of market and currency risk in the Russian stock market

Teplova Tamara (HSE)

Shutova Evgeniya (HSE)

Kostanarov Kasimir (New Bulgarian University)

Comparison risk measures for cross section return explanation on local stock markets of transition economics

Kuzmina Jekaterina (BA School of Business and Finance)

Asset Allocation Based on Downside Risk Measures

Session A-02. Banks.

Chairperson - Koen Schoors (Ghent University, CERISE)

Semenova Maria (HSE)

Banking system transparency and potential market discipline: evidence from depositor survey

Aleskerov Fuad (HSE)

Bondarchyk Pavel (HSE)

Aleksashin Pavel (HSE)

Knurova Alisa (Eurasian Development Bank)

Popova Ekaterina (The Central bank of the Russian Federation)

The analysis of business models of Russian commercial banks

Weill Laurent (University of Strasbourg & EM Strasbourg Business School)

Bank capital, liquidity creation and deposit insurance

Schoors Koen (Ghent University, CERISE)

Pyle William (Middlebury College)

The Effect of Deposit Insurance on Market Discipline: Evidence from a Natural Experiment on Deposit Flows

Session A-03. Efficiency 1.

Chairperson - Fungacova Zuzana (Bank of Finland Institute for Economies in Transition)

Belousova Veronika (HSE)

How the environment influences cost efficiency of Russian banks?

Fungacova Zuzana (Bank of Finland Institute for Economies in Transition)

Weill Laurent (University of Strasbourg)

Godlewski Christophe (University of Strasbourg)

Stock market reaction to debt financing arrangements in Russia

Herrala Risto (The Bank of Finland Institute of Economies in Transition)
A Stochastic Frontier Analysis of Household Credit Conditions

Vernikov Andrei (HSE)

Glushkova Ekaterina (HSE)

Does state ownership of banks really hinder financial development and economic growth in emerging markets?

Session A-04. Efficiency 2.

Chairperson - Karminsky Alexander M (HSE)

Morfov Stanimir Georgiev (International College of Economics and Finance, HSE)

Manuel Santos (University of Miami)

Relative Performance Evaluation and Managerial Outside Options

Sosyurko Vladimir (HSE)

Vasilyuk Alexander (HSE)

Comparison of bank rating models based on IFRS and Russian accounting data

Karminsky Alexander (HSE)

Peresetsky Anatoly (HSE)

Methods and models of the rating scales comparison

Andries Alin Marius (Faculty of Economics and Business Administration)

Alexandru Ioan Cuza (University of Iasi)

The determinants of bank efficiency and productivity growth in the Central and Eastern European banking systems

Session A-05. Finance & Markets 1.

Chairperson - Gelman Sergey (International College of Economics and Finance, HSE)

Abramov Alexander Evgenyevich (HSE)

What kinds of factors affect the return and sales in the Russian unit trusts

The investment potential management in the Russian insurance business: traditions, innovations or unused possibilities of growth?

Gelman Sergey (International College of Economics and Finance, HSE)

Burhop Carsten (University of Cologne)

Transaction costs, liquidity and expected returns at the Berlin Stock Exchange, 1892-1913

Session A-06. Finance & Markets 2.

Chairperson - JIANG YUEXIANG (Dept. of Finance, Zhejiang University)

Shagaleeva Gulnaz (HSE)

Dividend policy of companies in countries with transitional economy

Jiang Yuexiang (Dept. of Finance, Zhejiang University)

On the Pricing Efficiency of China's ETF Market

Ivaskaite-Tamosiune Viginta (Lithuanian Social Research Center, Institute of Social Welfare)
Measuring the well-being of Lithuanian Households

Lingelbach David (Merrick School of Business, University of Baltimore)
Paradise Postponed? Venture Capital Emergence in a Transition Economy

Session A-07. Risk analysis.

Chairperson - Berzon Nikolay (HSE)

Dobrynskaya Victoria (HSE)
Downside risk and flight to quality in the currency market

Pirogov Nikita (HSE)
Prediction of corporate bankruptsy: evidence from Russia

Nakonechnaya Oxana Vitalevna (HSE Nizhny Novgorod branch)
Khametshin Dmitry Ramilevich (HSE Nizhny Novgorod branch)
The Influence of Demographic Structure on the Market Risk Premium: Empirical Research

Berzon Nikolay (HSE)
Mezentsev Vyacheslav (HSE)
The use of econometric models to assess credit-default swaps on Russian companies

Session A-08. Regulation

Chairperson – Hasan Ersel (Sabanci University)

Ersel Hasan (Sabanci University)
ECONOMIC REQUIREMENTS OF MACROPRUDENTIAL REGULATION

Sokolov Vladimir (HSE)
Tracing the Impact of Liquidity Infusions by the Central Bank on Financially Constrained Banks

Grove Hugh (University of Denver)
Xu Pisan
Board Quality, Bank Performance and Risk-Taking: International Evidence

Aysan Ahmet Faruk (Bogazici University, Dept. of Economics)
Is Simultaneous Regulation of Credit Services and Payment Services of Credit Cards Possible?
Evidence from Turkey

Section B. Civil Society and Democracy.

Session B-01. Legal regulation of rights and freedoms (case of Russia)

Chairperson – Belyaeva Nina (HSE) Bill Bowring (School of Law)

Kakabadze Shota Shotaevich (HSE)
Zvyagina Natalya (HSE)
Civil organizations voluntary rejection from registration as body corporate: opportunities and threats

Zaytsev Dmitry Gennadievich (ZIRCON Research Group)

Karastelev Vadim (HSE)

Forms of civil organizations' participation in public policy

Zadorin Igor Veniaminovich (ZIRCON Research Group)

Problems of civil and social-oriented organizations law identification

Session B-02. Social Capital and State

Chairperson –

Petrenko Elena (fund “Public opinion”)

Galitskiy Efim (fund “Public opinion”)

Galitskaya Elena (fund “Public opinion”)

Three Generations of Russians: the Lifestyle and Social Capital

Zubareva Daria Sergeevna (HSE)

Social Capital and Traffic: Roads We Take and Government We Elect

Menyashev Rinat Shamilevich (HSE)

Inefficient State or Passive Society: The Analysis of the Demand for Regulation in Russia

Session B-03. Models.

Chairperson –

Ermishina Anna Veniaminovna (Southern Federal University)

Social Capital Modeling in Housing

Levin Mark (HSE)

Shilova Nadezhda

On the Models of Xenophobia and Ethnic Hatred

Mersianova Irina Vladimirovna (HSE)

Yakimets Vladimir Nikolaevich (Institute of System Analysis)

Multivariable trust index of Russians to governmental employees as a tool for interaction between the civil society and the state

Session B-04. Civic Society - 1

Chairperson –

Lakizyuk Olga (Bielefeld University)

Development of nonprofit and commercial organizations of Russian-speaking immigrants and integration work in Germany as an example of cities Bielefeld and Magdeburg

Solodova Irina (Centre for Studies of Civil Society and Nonprofit Sector)

The Potential of Corporate Philanthropy in Local Community Development: existing limitations

Paradoxes of Migrant Women's Remittances: Cakes and ales for Ukrainian males?

Tyuryukanova Elena (Migration Research Center)

Women's Labour Migration to Russia: New Image of "Gastarbeiter"

Shitova Yulia (International university of nature, society and man, the state educational institution of Moscow region)

Interaction between the push-pull migration and the pendulum migration in the Moscow region

Session C-03. Socio-demographic problems - 1

Chairperson – Zaharov Sergey (HSE)

Sinyavskaya Oxana (Independent Institute for social policy)

Tyndik Alla (Independent Institute for social policy)

Pension and retirement age in Russia: what is the relation between expectations, intentions and actual behavior?

Tyndik Alla Olegovna (Independent Institute for Social Policy)

Education and first birth histories of Russian men and women in several generations

Rozhdestvenskaya Elena (HSE.)

Fatherhood: the liberal trend from father to daddy?

Orlov Alexander Yurievich (Nizhny Novgorod State Pedagogic University)

Demographic research of ethnoassimilational processes (example of the population of Privolzhsky Federal district)

Session C-04. Socio-demographic problems -2

Chairperson –

Niculescu-Aron Ileana Gabriela (Bucharest Academy of Economic Studies)

Do Romanian people still want babies? Recent aspects regarding the natality behaviour as a component of a new mode of life

Sarkisian Natalia Aleksandrovna (Boston College)

Marriage and Social Ties in Russia: Cooperation or Competition?

Mihaescu Constanta (Bucharest Academy of Economic Studies)

Recent Evidence in Couple Formation in Romania: Shifting towards the Western Model?

Zaharenko Roman (HSE)

Children Versus Ideas: an “Influential” Theory of Demographic Transition

Session C-05. Demographic processes in CIS - 1.

Chairperson – Tyuryukanova Elena (Migration Research Center)

Sulaberidze Avtandil Vladimir (Ilia State University Demography and Sociology Institut)

Tsuladze Giorgi Evgen (Ilia State University Demography and Sociology Institut)

Demographic development in Georgia: Assesments, Trends, Perspectives.

Guillot Michel (University of Pennsylvania)

Denisenko Mikhail Borisovich (HSE)

Mortality in Central Asia before and after the break-up of the Soviet Union: Evidence from Kyrgyzstan

Chudinovskikh Olga (Moscow state Lomonosov University, Faculty of economics)

Migration processes in the CIS countries and on the post-soviet space: reflection in statistics

Agadjanian Victor (Arizona State University)

Nedoluzhko Lesia

Diverging economic fortunes and fertility dynamics in Central Asia: Kazakhstan and Kyrgyzstan compared

Session C-06. Demographic processes in CIS – 2.

Chairperson – Denisenko Mikhail (HSE)

Gomelauro Nino (Ilia State University Demography and Sociology institut)

Demographic aging in Georgia

Agadjanian Victor (Arizona State University)

Zotova Natalya (Institute of Ethnology and Anthropology)

Exploring Sexual Risks of Central Asian Female Migrants in Moscow

Palian Zinaida (Kiev National University T. Shevchenko)

Fertility in context of nature replacement of population in Ukraine: statistical aspect

Shakhotska Liudmila (Institute of Economy of NAN Belarusi)

Results of population census of Belarus of 2009

Section D. Labour Market.

Session D-01. Labour Market - 1

Chairperson – Kapeluynshnikov Rostislav (HSE)

Cook Linda J. (Brown University, Providence, RI 02912)

Russian Labour: The Puzzle of Quiescence

Oshchepkov Aleksey (HSE)

Muravyev Aleksandr (Institut fuer Zukunft der Arbeit (IZA))

Minimum wages and unemployment: What can be learned from Russian data?

Duman Anil (Central European University)

Labor Market Institutions, Policies and Performance in New EU Member States

Alexandrova Anastassia (World Bank)

Using activation policies to help the poor (re)enter the labor markets.

Session D-02. Labour Market - 2

Chairperson – Roschin Sergey (HSE)

Lehmann Hartmut (University of Bologna and Institute for the Study of Labor)

Muravyev Alexander (Institute for the Study of Labor)

Zaiceva Anzelika (Institute for the Study of Labor and University of Bologna)

Razzolini Tiziano (University of Siena)

The incidence and cost of job loss in the Russian labor market

Slonimczyk Fabian (HSE)

Returns to Over-education: longitudinal evidence using true transitions

Gimpelson Vladimir (HSE)

Kapeluyshnikov Rostislav (HSE)
Lykyanova Anna (HSE)
Educational level of Russian workers: required, excess, insufficient

Vasiliev Kirill (World Bank).
Developing skills for productivity gain

Session D-03 Labour Market – 3

Chairperson – Denisova Irina (New Economic School)

Slonimczyk Fabian (HSE)
The Effect of Taxation on Labor Market Informality: Evidence from the Russian Flat Tax Reform

Lazareva Olga (HSE).
Formal and informal employment in Russian families

Smirnuh Larisa (HSE)
Non-standard employment contracts: the experience of Russian companies

Zydina Anna (HSE)
Gimpelson Vladimir (HSE)
The informal sector: the dynamics, structure, determinants.

Section E. Public Administration.

Session E-01. Public procurement - 1

Chairperson – Ivanov Andrey (Graduate School of Management, St. Petersburg State University)

Podkolzina Elena Anatolievna (Centre for Institutional Studies)
The role of reputational mechanisms in Russian public procurement: a list of unfair suppliers

Yakovlev Andrei (HSE Institute for Industrial and Market studies)
Demidova Olga (HSE)
Balaeva Olga (HSE)
Types of contracts in public procurement and their peculiarities: empirical analysis of Russian micro-data

Ivanov Andrey Yevgenjevich (Graduate School of Management, St. Petersburg State University)
Contracting Authority on the Competitive Market

Session E-02. Public procurement - 2

Chairperson – Kuznetsova Irina (HSE)

Eryomina Anastasia Vitalyevna (Nizhny Novgorod branch of HSE)
Zoroastrova Irina Vladimirovna (Nizhny Novgorod branch of HSE)
An empirical analysis of the factors of collusion in the market of public procurement

Malin Sergey (HSE, St. Petersburg Branch)
Can a mechanism of "collective shopping" be applied in public procurement?

Pivovarova Svetlana (Laboratory for Institutional Analysis of Economic Reforms, Center for Institutional Studies, HSE)
Podkolzina Elena (Laboratory for Institutional Analysis of Economic Reforms, Center for Institutional Studies, HSE)
Information transparency and public procurement in Russian regions

Session E-03. Public procurement - 3

Chairperson – Anchishkina O.

Maslova Ntalya Sergeevna (A.B. Soloviev Institute for State and Local Procurement Management)
Estimation of risks as institute of maintenance management of the state needs

Kuznetsova Irina Vladimirovna (A.B. Soloviev Institute for State and Local Procurement)
Analysis of the practice of holding a public auction in electronic form

Demidova Olga (HSE)

Yakovlev Andrei (HSE)

Influence of the interaction between enterprises and authorities on the participation of the enterprises in public procurement: an empirical analysis.

Session E-04.Regulatory Impact Assessment

Chairperson – Tsygankov Daniel (HSE).

Belyaev Alexander N (HSE)

Sobol Dmitry W (The Ministry of Economic Development of the Russian Federation)

The RIA Implementation Models on Regional Level in Russia

Khersontsev Aleksei I (The Ministry of Economic Development of the Russian Federation)

Prospective of the RIA Institute Development in Russia

Tsygankov Daniel (HSE)

Derman Dmitry O (HSE)

Comparative Analysis of the Instruments of RIA Implementation in Russia and CIS Countries

Session E-05. Analysis of the practice of Public Administration

Chairperson – Plusnin Yuriy (HSE).

Skalon Vasiliy (Educational and research laboratory of municipal administration)

Financial and administrative independence of local administration as an indispensable factor of modernization of Russian economy

Donchevsky Grigory (Federal state independent educational institution of the higher vocational training "Southern federal university")

Ustina Nina (Municipal independent educational institution of the higher vocational training "Samara academy of the state and municipal management")

Karlina Anna (Municipal independent educational institution of the higher vocational training "Samara academy of the state and municipal management")

The Process Approach in Organizational Projecting Within the Sibiliarian Model of Municipal Entity Management

Khaimour Elvira Gaptelhamitovna (The Finance Committee of St. Petersburg)
Patokina Olga Anatolievna (Graduate School of Management, St. Petersburg State University)
Mechanism of outsourcing of government functions and government services

Minchenko Olga (Institute for public administration and municipal management)
The practice of involvement independent experts or expert organizations in the process of delivery of public services and performing government functions

Session E-06. Analysis of Corruption - 1.

Chairperson –

Nisnevich Yuri Anatolyevich (HSE)
Corruption as a factor reducing the competitiveness of the state: the comparative-institutional analysis

Pominov Anton (Center "Transparency International - R")
Civic control of implementation of public e-services provision

Ninenko Ivan Sergeevich (Center for anticorruption research and initiatives "Transparency International - R")
Results of the first year of declarations of assets and incomes of public officials

Panfilova Elena A. (Center fro Anti-corruption Research and Initiative Transparency International - Russia)
Anti-corruption initiatives in Russia today: how far they can go

Session E-07. Analysis of Corruption - 2.

Chairperson –

Parkhomenko Sergey Anatolyevich (School of Public Administration HSE)
Anticorruption strategy in Russia: preliminary results and prospects

Tserkasevich Larissa Vladimirovna (St. Petersburg Academy of Management and Economic)
Corruption in Sweden: problems of identification and measurement

Savintseva Marina Igorevna (Laboratory of the Anticorruption Policy)
Right to Know as Anticorruption Toolkit

Section F. Macroeconomics and growth.

Session F-01. Macroeconomic problems of post-crisis development of Russian economy

Chairperson – Gurvich Evsey Tomovich (Economic Expert Group)

Vuygin Oleg (MDM Bank)
Crisis and conversional rules of macroeconomic policy.

Aleksashenko Sergei (HSE)
Scenarios and alternatives of macroeconomic policy.

Gavrilenkov Evgeny (Investing Company Troika-Dialog)
Risks of development of the Russian Economy.

Gurvich Evsey Tomovich (Economic Expert Group)
Lebedinskaya Elena (Economic Expert Group)
Syslina Alexandra (Economic Expert Group)
Long-term fiscal policy: the impact of the crisis.

Session F-02. Crisis and crisis management policies

Chairperson – Dombrovski M.

Mironov Valeriy Viktorovich (Development Center Institute of HSE)
Anticrises policy in Russia in the context of world experience

Kamenskikh Marina Viktorovna (Center for Macroeconomic Research Sberbank)
Yudaeva Ksenia Valentinovna (Center for Macroeconomic Research Sberbank)
Effectiveness of government spending in Russia

Gurvich Evsey Tomovich (Economic Expert Group)
Prilepskiy I. (Economic Expert Group)
External and Internal Factors of output decline during the crisis

Session F-03. The sources and mechanisms of economic growth

Chairperson – Alba P.

Kuranov Gennady (Ministry for Economic Development of the Russian Federation)
Potentials, components and sources of economic growth.

Shi Jinchuan (School of Economics, Zhejiang University)
Huang Lianghao
Aggregate demand structure adjustment and economic development pattern transforming

Alexeev Alexei Veniaminovich (Institute of Economics and Industrial Engineering of the Siberian Branch of the RAS)
Who will pay for modernization?

Gurvich Evsey Tomovich (Economic Expert Group)
Natural Rent and soft budget constraint

Session F-04. Monetary policy and inflation.

Chairperson – Martin Grant Gilman (HSE)

Styrin Konstantin (New Economic School)
Zamulin Oleg (New Economic School)
Inflation and inflation expectations in the Russian economy

Merzlyakov Sergey (HSE)
The Role of Central Bank Conservatism in an Export-Oriented Economy

Novak Anna (HSE)

Larin Alexander (HSE)

Shulgin Andrei (HSE)

Khvostova Irina (HSE)

Balance of payments role in macroeconomic stabilization under different exchange rate regimes

Larin Alexander (HSE, Nizhny Novgorod branch)

Novak Anna (HSE)

Inflation forecast errors in Russia - unpredictable shocks or monetary policy?

Session F-05. Model of economic development.

Chairperson – Zeljko Bogetic (The World Bank)

Arefiev Nikolay (HSE)

A Disequilibrium Model of Business Cycles

Tabova Alexandra (Duke University)

Portfolio Diversification and the Cross-Sectional Distribution of Foreign Investment

Veselov Dmitry (HSE)

Poverty trap in commodities exporting countries

Session F-06. Institutions and Development

Chairperson – Polischyk Leonid (HSE)

DRUGEON Jean-Pierre (Centre National de la Recherche Scientifique)

On Time Preference, Education Arbitrages & Long-Run Growth

Natkhov Timur (HSE)

Polishchuk Leonid (HSE)

The Allocation of Talent and Quality of Institutions

Polischyk Leonid (HSE)

The distribution of talent and quality of institutions

Tamilina Larysa Vladimirovna (Independent Research)

The impact of institutions on economic growth: the case of countries in transition

Session F-07. Russia's Challenge of Post-Crisis Development

Chairperson –

Zeljko Bogetic (The World Bank)

Russia's recent economic developments and macroeconomic policy challenges in the global context

Paulo Correa (The World Bank)

Binding Constraints and Policy Options for Export Diversification in Russia -- A Microeconomic Approach.

Chorching Goh (The World Bank)

Making Spatial Policies Work in Russia

Session F-08 Inflationary expectations

Chairperson –

R.Curtin (Michigan University, USA). The impact of economic crisis on consumer's knowledge about economic statistics.

Ibragimova Dilyara. (HSE). Inflation Expectations: measuring and analysis.

Zamulin Oleg., Styryn Konstantin. (RAS). Inflation and inflation expectations in the Russian economy.

4. Nikolaenko S. (Institute of World Economy and International Relations, Russian Academy of Sciences)

Consumer expectations and savings behavior of the population of Russia in 2008-2010

Section G. Management.

Session G-01. Business processes in Russian companies

Chairperson – Sterligova Alla (HSE)

Belov Andrey (OAO Severstal)

Strategic priorities and functional processes of the large Russian corporation: impact of the world economic crisis (Severstal case study)

Shatalov Alexander (Graduate School of Management St. Petersburg State University)

Shirokova Galina (Graduate School of Management St. Petersburg State University)

Business Model and the Firm Performance

Aleshchenko Ekaterina (Institute of Economics and Industrial Engineering)

Business model as instrument of improving performance of small innovative companies

Session G-02. Inter-firm collaboration and competitive advantage.

Chairperson – Tretyak Olga (HSE)

Popova Julia (Syktyvkar State University)

Effectiveness of intercompany relationships measurement in value chain

Kouchtch Sergei Pavlovich (Graduate School of Management Saint-Petersburg State University)

Rebyazina Vera Alexandrovna (Graduate School of Management Saint-Petersburg State University)

Smirnova Maria Mihailovna (Graduate School of Management Saint-Petersburg State University)

Krasnikov Alexander Vladimirovich (Школа бизнеса Университета Джорджа Вашингтона)
“Innovation Radar: Developing the Multifactor Measurement Tool for Innovation Activity of Russian Companies”

Minina Vera Nickolaevna (St. Petersburg State University)

Trust culture as a factor for gaining competitive advantage of an organization in the knowledge economy

Session G-03. Management in Corporations

Chairperson – Kleiner George (Central Economics and Mathematics Institute of RAS)

Gurkov Igor Borisovich (HSE)

Saidov Zokirjon B. (HSE)

Strategy of actions of firm in the conditions of uncertainty: the system approach of the analysis of steady conditions of reproduction

Kachalov Roman (Central Economics and Mathematics Institute Russian Academy of Sciences)

System Risk Management: many years data analyse

Kleiner George (Central Economics and Mathematics Institute of RAS)

Economic System Organization and System Management

Session G-04. Social organization of firms and human resource management in business organization

Chairperson – Efendiev Azer (Center for Research in Social Organization of a Firm)

Koveshnikov Alexei (Hanken School of Economics)

Efendiev Azer (HSE)

Balabanova Evgeniya (HSE)

Ehrnrooth Mats

Managerial attitudes in Russian organizations: A study of 8 geographic regions and 14 industries in Russia

Davoine Eric (Chaire Ressources Humaines et Organisation, FSES - Universit? de Fribourg)

Schroeter Oliver (University of Fribourg)

How national are the HR-practices of subsidiaries of Multinational Companies?

Aparina Natalia (Kemerovo State University)

Employee-Employer Bargaining Positions

Efendiev Azer (Center for Research in Social Organization of a Firm)

Balabanova Evgeniya (HSE)

Career in Russian Business organisations

Lyubitskaya Vera (Altay State Technical University)

Features of the HR-management and motivation in industry: the impact of economic crisis.

Section H. World Development and Politics.

Session H-01. Policies of countries and groups - a factor of elites

Chairperson – Busygina Irina (Moscow State Institute of International Relations)

Grigoriev Leonid Markovich (HSE)

The Elite and the middle class

Busygina Irina (Moscow State Institute of International Relations)

Russia and the European Union: What Determines Strategic Choices?

Bratersky Maxim (HSE)
Financial Interests in Russian Foreign Policy Strategy

Dutkiewicz Piotr (Carleton University)
The World in 2012 - the major players

Session H-02. Russian - European relations: between strategic alliances and zero-sum game

Chairperson – Bordachev Mihail (HSE)

Petrovskiy Vladimir (HSE)
Russia's Foreign Policy Review: from Soviet Nostalgia towards a new Pragmatism?

Gomart Thomas (French Institute for International Relations)
NATO, Europe and "Russian question"

Romanova Tatiana (School of International Relations, St. Petersburg State University)
EU-Russian Relations: Problems and Perspectives

Session H-03. The regional dimension of international political processes

Chairperson – Suzdaltsev Andrey Ivanovich (HSE)

Suzdaltsev Andrey Ivanovich (HSE)
Problems of formation of the Customs Union and Uniform Economic Space within EvrAzEs

Kanaev Evgeny (HSE)
Russia's Policy in Southeast Asia: Trends and Prospects

Mirskiy Georgiy (HSE)
The Iranian nuclear program- a threat to world peace

Session H-04. Arctic Power and Politics

Chairperson – Kryukov Valeriy Anatolievich (Higher School of Economics)

Daniel Fjartoft (Econ Poyry)
Arctic offshore oil and gas exploitation: Development of a Russian supply cluster as a means for economic modernization.

Kryukov Valeriy Anatolievich (Higher School of Economics)
Growing importance of the Arctic Energy Resources in a modern world - influence of uncertainty or real needs?

Moe Arild (Fridtjof Nansen Institute)
The oil industry and the Arctic ocean: Competition or cooperation?

Simonia Nodari (Institute of World Economy and Int Affairs)
Russian interests in Arctics

Session H-05 New structural factors of world economy.

Chairperson – Serova Eugenia Viktorovna (Food and Agriculture Organization)

Likhacheva Anastasia Borisovna (Center for Comprehensive European and International studies)
World economy as a ground of water problems solution

Grigoriev Leonid (HSE)

The Structure of World Economic Growth in the Next Two Decades

Serova Eugenia Viktorovna (Food and Agriculture Organization)

The new world food situation

Makarov Igor A. (Center for Comprehensive European and International Studies)

Impact of Climate Change on Global Economic Processes

Savelyeva Alina Viacheslavovna (Center for comprehensive european and international studies, HSE)

The transformation of the global food market in the modern era

Session H-06. The impact of world trade and integration processes for the development of the national economies -1

Chairperson: Golovanova Svetlana Viktorovna (HSE, Nizhny Novgorod)

Golovanova Svetlana Viktorovna (HSE, Nizhny Novgorod)

International trade liberalization and structural changes in Russian manufacturing industry

Frey Miriam (University of Regensburg, Department of Economics / Institute for East European Studies)

Olekseyuk-Viber Zoryana

The Effects of Trade Liberalization between the EU and Ukraine in a Computable General Equilibrium Model

Berthelemy Michel (Center of Industrial Economics - Ecole des Mines de Paris (Mines ParisTech))

The Cost Effectiveness of the EU targets for renewable energy – Some insights from the electricity sector in the EU-15

Session H-07. The impact of world trade and integration processes for the development of the national economies -2

Chairperson: Zweynert Joachim (Hamburg Institute of International Economics & University of Hamburg)

Schulz Justyna (University Bremen, Department of Eastern European Studies)

How to generate the domestic capital in the Eastern European Countries?

Zweynert Joachim (Hamburg Institute of International Economics & University of Hamburg)

EU Conditionality and Bulgaria's and Romania's Economic Transition Performance – an Empirical Analysis

Balcioglu Hasret (Cyprus International University)

The International Financial Implications of the Recent Global Economic Crisis at the Country and International Levels: a Comparative Look at the Selected Developing Countries and Some of the New EU Member Countries with Suggested Policies for Turkey

Section I. Science and Innovations

Session I-01. Science and Innovations in the economy: results of the empirical research -1

Chairperson: Gokhberg Leonid (HSE)

I. Mails (HSE)

Study of Innovation in Services: International Experience

Jean Guinet (HSE)

Problems of national innovation policy: New Approaches

Schweitzer Glenn (United States National Academy of Sciences)

Innovative approaches to improve energy efficiency in Russia and the U.S.

Nowicka Iwona (Ministry of Science and Higher Education)

National Foresight Programme - methodology, results, implementation

Session I-02. Science and Innovations in the economy: results of the empirical research -2

Chairperson: Sokolov Alexander (HSE)

Rafael Popper (University of Manchester)

Determination of long-term priorities of science and technology using the Wild Cards: the experience of the European project iKnow.

D. Meisner (Research Laboratory of Science and Technology, Germany)

Methods to improve the efficiency of Foresight Research: International Experience

T. Gstrauntaler (HSE)

Financing Innovative Enterprise: current practice

Gokhberg Leonid (HSE)

Development of science and innovation in Russia: the effects of global crisis

Session I-03. Perspectives of innovation development

Chairperson: Simachev J. (Interdepartmental Analytical Center)

Sokolov Aleskandr (HSE)

Long-term prospects for the development of science and technology

Chulok Alexander Alexandrovich (Interdepartmental Analytical Center)

Forecasting of Russian S&T development till 2030: main results, conclusions and lessons

Zaichenko Stanislav (HSE)

The effectiveness of knowledge transfer in Sector of R&D

Rud Vitaly (HSE)

Innovation activity in Industry: Results of cross-country comparisons

Session I-04 RTD, technological development, and investments: microeconomic analysis

Chairperson: Gonchar Ksenia (HSE)

Gauselmann Andrea (Halle Institute for Economic Research)

Stephan Johannes (Technical University Freiberg)

Knell Mark (Norwegian Institute for Studies in Innovation, Research and Education)

Investment Motives of FDI into Central East Europe. An Analysis by us of the latest wave of the IWH FDI-Micro Database.

Andreev Vladislav (Finance University under the Government of Russian Federation)

Factors determining the commercial success of R&D at different levels of novelty in the real sector of Russian economy

Bertrand Olivier (Graduate School of Management, St Petersburg State University)

Mol Michael

Does external R&D sourcing increase innovation?: Evidence from French manufacturing

Session I-05. Mathematical modelling and evaluation of innovations

Chairperson: Moskalionov Sergey (Ulyanovsk State University)

Delitsin Leonid L (Moscow State University of Culture and Arts)

New ICT diffusion models verified by survey data

Moskalionov Sergey (Ulyanovsk State University)

Lvov Alexander (Ulyanovsk State University)

Innovational Potential Analysis for Russian Economy: Production Functions Approach

Guseva Natalija (Vilnius University)

Application of fuzzy logic for the evaluation of e-commerce systems quality

Shomova Elena (HSE)

Kirsanov Aleksandr (HSE)

Interdependent projects portfolio formation: mathematical formalization of the task

Session I-06. Innovations and economic development of regions

Chairperson: Mariev Oleg Svyatoslavovich (State educational institution of higher professional education Ural State University named after A.M. Gorky)

Mariev Oleg Svyatoslavovich (State educational institution of higher professional education Ural State University named after A.M. Gorky)

Savin Ivan Valerievich (Institute of Economics, Ural Branch of the Russian Academy of Sciences)

Russian regions in the rush of innovations: empirical results

Valieva Olga (Institute of Economics and Industrial Engineering, Novosibirsk State University)
Small Innovative Business in Russia: Problems and Perspectives

Koutsenko Yevgeny Sergeevich (Interregional Center of Subcontracting and Partnership)
Influence of clusters on innovative activity in the regions of Russia: results of empirical research

Faykov Dmitry (Sarov Physical and Technical Institute - branch of National Research Nuclear University MEPhI)
Is it possible to use "enclave" model of innovation development in Russia?

Bozhko Larissa (Rydney industrial institute)
The approach to development of frontier territories

Section J. Political Processes.

Session J-01. Political systems

Chairperson: Ilyin Mikhail (HSE)

Suthar Sudhir Kumar (Babasaheb Bhimrao Ambedkar University)
Mounting Regional Inequality and Crisis of Governance: A Comparison of India and Russia

Svyetlov Oleksandr (NBB/Memorial Kyiv)
What happened to Ukraine? Power politics in “independent” Ukraine

Neil Robinson David (University of Limerick)
Regime building versus state building in post-communist Russia: explaining the drive to modernization and its weaknesses

Ilyin Mikhail (HSE)
Generation shifts of international systems as a factor of state building in Early Modern period.

Session J-02. New democracies and new autocracy

Chairperson: Melville Andrei (HSE)

Stukal Denis Konstantinovich (HSE)
Application of multivariate statistics to the analysis of factors of democratization in post-communist states

Mironyuk Mikhail (HSE)
Why the results are so different : Conditions and procedures of the constitutional design choice in the postcommunist states

Melville Andrei (HSE)
Prerequisites of democracy and limits of democratization

Session J-03. Regional policy

Chairperson: Mironyuk Mikhail (HSE)

Titkov Alexei (HSE)

Regional legislatures in the context of "managed election" of late 2000-es in Russia

Lazarev Yegor Alexandrovich (Saint-Petersburg State University)

Ethnic Diversity and Political Competition:
Evidence from Local Elections in Dagestan

Vasilyeva Olga (Amur State University)

Appointed vs elected governors and their effects on public goods provision in Russian regions

Session J-04. Parties

Chairperson: Turovsky Rostislav (Moscow State University)

Grigorenko Evgeniy (HSE)

Current evolution of Russia's party system

Aray Henry (University of Granada)

Effects of Political Parties on Regional Public Infrastructure

Turovsky Rostislav (Moscow State University)

The structuring and competition in post-Soviet party systems

Session J-05. Political decision-making

Chairperson: Akhremenko Andrew (Moscow State University)

Chebotarev Pavel Yur'evich (Institute of Control Sciences of Russian Academy of Sciences)

Lezina Zoya Markovna (Institute of Control Sciences of RAS)

Tsodikova Yana Yul'evna (Institute of Control Sciences of RAS)

Democratic decisions in a stochastic environment: Analysis of the phenomena of cooperation and lobbying

Karabekyan Daniel (HSE)

Yakuba Vyacheslav

On Weak Manipulation of Scoring Rules

Akhremenko Andrew (Moscow State University)

Political Decisions and Quality of Life in Russian Regions: Political and Formal Analysis

Session J-06. Political Values

Chairperson: Musikhin Gleb (HSE)

Tomashov Igor Andreevich (HSE)

Medvedev Sergey Aleksandrovich (HSE)

Political anomy in contemporary Russia

Soboleva Irina (HSE)

Musikhin Gleb Ivanovich (HSE)

Domination of the administrative class in Russia as an obstacle to the political discourse formation

Khavenson Tatiana (HSE)

Migol Ekaterina (HSE)

Political values distribution in Russia, France, Germany and the USA

Musikhin Gleb (HSE)

National idea as "an ideology of power"

Session J-07. Political behavior and political institutions

Chairperson: Kasamara Valeria (HSE)

Grishin Vladimir (Russian Public Opinion Research Center)

Irrational aspects of Russians' electoral behavior and perspectives of political modernization in the Russian society

Karpov Alexander (HSE)

The model of board of directors elections

Abelinskaite Vera (Russian PR Association)

Process of informal institutionalization in the modern Russia: how political elites have an influence on institutional changing

Sorokina Anna (HSE)

Kasamara Valeria Aleksandrovna (HSE)

The image of Russia and its future: political elite VS street people

Session J-08. Ideas and methods

Chairperson: Urnov Mark (HSE)

Kostyushev Vladimir Vladimirovich (HSE)

The Concept of Politics Field: Theoretical Possibilities and Empirical Verifications

Petrov Alexander (Keldysh Institute of Applied Mathematics (RAS))

Kornilina Elena (Keldysh Institute of Applied Mathematics (RAS))

Study of Proximity of Political Positions by Means of Latent Semantic Analysis

Gradoselskaya Galina Vitalievna (HSE)

Possibilities of development of the network analysis methodology applied to the post-Soviet information space

Section K. Educational Development

Session K-01. Global and national trends in higher education

Chairperson: Froumin Isak (HSE)

Abankina Irina (HSE)

Filatova Ludmila (HSE)

Nikolayenko Elena (HSE)

Structural dynamics in higher education sector in Russia

Johnson Mark Steven (University of Wisconsin-Madison)

Geo-strategic Counter-currents of Globalization: Higher Education Networks in Russia and Eurasia and the Role of "Soft Power" in Modernization Strategies

Muravyev Alexander (Institute for the Study of Labor)

Talavera Oleksandr (University of East Anglia)

Can state language policies distort students' demand for higher education? First evidence from Ukraine

Session K-02. Educational trajectories in the social context

Chairperson: Konstantinovsky D.

Kyui Natalia (University Paris-1 Pantheon Sorbonne, Paris School of Economics)

Influence of Family Background on Tertiary Education Choices: Evidence from Tuition Policy Changes.

Abankina Tatjana (Institute for Educational studies, HSE)

Zinkovsky Kirill (Institute for Educational studies HSE)

Krasilova Anna (Laboratory of comparative analysis of postsocialist societies HSE)

Yastrebov Gordey (Laboratory of comparative analysis of postsocialist societies HSE)

International Comparative Studies on Vocational Education for Rural Development in the Transition countries, China and Russia: Policy Responses and Innovative Practices

Popov Dmitry Sergeevich (HSE)

Tracing study of secondary and higher school graduates in Russia

Session K-03. The possibilities of using Unified State Examination in research

Chairperson: Bolotov Victor (HSE)

Prakhov Ilya (HSE)

The Analysis of Formation of Expectations about Results of the Unified State Examination

Poldin Oleg (HSE, Nizhny Novgorod)

Predicting average grade in HSE on the base of entrance examinations

Kiselgof Sofya (HSE)

Model of entrants' choice over universities and admission process in Russia

Zamkov Oleg Olegovich (HSE)

Econometric Analysis of the factors of academic achievement of the students at ICEF, HSE

Session K-04. Economics and management of education

Chairperson: Abankina Irina (HSE)

Garifullina Nataliia Iurievna (Petrozavodsk State University)

Educational services in budget expences for higher professional education

Panova Anna (The Centre for Institutional Studies)

Faculty participation in governance: contract approach to analysis of the incentives.

Shadrikov Vladimir Dmitrievich (HSE)

Certification of teachers as a guarantee of the quality of education

Grigorieva Evgenia Gerbovna (Siberian Federal University)
Problems of development of the private sector in the market of preschool services

Roundtable: Programme two diplomas in Russian higher education

Chairperson:

Kadochnikov Sergey (Ural State University)
Experience in implementing programs of the two degrees of economic faculty of USU with Russian and foreign universities.

Yakovlev Sergey (HSE)
Two-diploma program HSE and London School of Economics: a model of cooperation for higher education in Russia

I. Baranov (GSOM)
Joint master's programs GSOM with a consortium of European business schools.

Section L. Regional development

Session L-01. From the crisis to modernization?

Chairperson: Zhikharevich Boris (Leontief Centre)

Grigoriev Leonid Mark (HSE)
Kondratiev Sergei
First market crisis in Russian regions

Rusetskaya Olga Vasilyevna (International Centre for Economic Research)
Dynamics of development and tools of support of small business in regions of the northwest of Russia in crisis 2008-2009

Zubarevich Natalia (Moscow State University)
Center-regions budget relations: social and investment priorities at the stage of crisis overcoming

Zhikharevich Boris (Leontief Centre)
Assessment of anti-crisis actions taken by regional authorities in North-West Russia

Session L-02. Regional economy: effects of agglomeration

Chairperson: Kadochnikov Sergey (Ural State University)

Vorobiev Pavel (Ural State University)
Kislyak Nadezhda (Ural State University)
Davidson Natalia (Ural State University)
Industrial diversity and concentration in Russian cities: the impact on economic efficiency

Davidson Natalia (Ural State University)
Drapkin Igor (Ural State University)
Fedjunina Anna (Ural State University)
Lopatina T.
Korobeinikova A.
The impact of foreign direct investment on diversification of regional economy

Kolomak Evgeniya Anatolievna (Institute of Economics and Industrial Engineering SB RAS)
Are spatial externalities resources of growth in Russia?

Gluschenko Konstantin (Institute of Economics and Industrial Engineering SB RAS)
Impact of the global crisis on spatial relationships in Russia

Session L-03. Regional economy: structural transformation

Chairperson: Kolomak Evgeniya Anatolievna (Institute of Economics and Industrial Engineering SB RAS)

Wang Zhikai (Dept. of Public Finance (School of Economics), Zhejiang University)
Wang Wei (Deputy Dean of School of Economics, Zhejiang University)
Urbanization, regional disparities elimination in China: the case of Hangzhou-Xiaoshan region

Heimpold Gerhard (Halle Institute for Economic Research)
The manufacturing sector in East German regions 20 years after German Unification – how sustainable is its economic structure?

Grouiez Pascal (University of Reims)
Firms' strategies on collective goods production in the Russian agricultural sector

Larchenko Lubov (HSE, Saint-Petersburg)
Re-structuring of economy of natural resources regions of the Russian North, as a necessary condition of steady territorial development

Kurilo Anna (Institute of Economics, Karelian Research Centre, Russian Academy of Science)
Small entrepreneurship as factor of regional development

Session L-04. Economics and politics in regions.

Chairperson: Petrov Nikolay (Carnegie Moscow Center)

Vladimir Denisov (consortium "INTEGRA-S".)
Infrastructure of Innovation Development and integral security of the society

Klimanov Vladimir Viktorovich (Institute for Public Finance Reform)
Budget strategy: New Challenges for Russian regions

Petrov Nikolay (Carnegie Moscow Center)
Regional political factors of modernization

Druzhinin Pavel Vasilevich (Institute of Economics Karelian research Centre)
Regional development and regional political institutions

Session L-05. Institutes of Regional Development

Chairperson: Pilyasov A.

Morozova Tatiana Vasiljevna (Institute of Economics KRC RAS/ PetrSU)
Kozyreva Galina Borisovna (IE KRC RAS)
Institutional framework of modernization of social and economic development of the region

Kalyuzhnova Nadezhda Yakovlevna (Irkutsk State University)

The institutes of regional development and competitiveness

Vlasova Tatiana (International Centre for Social and Economic Research "Leontief Centre")
Institutional problems of regional cultural tourism development

Abramov Alexander
Location problems for shopping centers in urban areas

Session L-06. Social development of regions

Chairperson: Zubarevich Natalia (Moscow State University)

Rudenko Dmitry Yuryevich (Tyumen State Academy of World Economics, Management and Law)
Alternative approaches of measuring poverty in Russian regions

Pitoska Electra (Technological Education Institute of Western Macedonia, Kozani, Greece)
Women entrepreneurship in the Greek countryside: The case of Prespes in Florina and Vora

Naberezhnaya Anna Timofeevna (Northeast Federal University M.K.Ammosov)
Quality of life of the northern region of Russia (The Republic of Sakha (Yakutia))

Majerova Vera Andreevna (Czech University of Life Sciences Prague)
Czech village changes in consumption: pre- and post-socialist development.

Mishchuk Svetlana (Institute for Complex Analysis of Regional Problems, Far Eastern Branch of the Russian Academy of Science)
The role of foreign labor in the border region
Southern Far East (for example, the Jewish Autonomous Region)

Session L-07. Regional development and information

Chairperson: Kuznetsova O.V.

Acilar Ali (Bilecik University)
Markin Maxim (HSE)
Nazarbaeva Elena (HSE)
Exploring the Digital Divide: A Case of Russia and Turkey

Porter Julie (Centre for Advanced Studies, Cardiff University)
Smart RDAs in Europe: Creating Innovative Connections

Kment Petr (Czech University of Life Sciences Prague)
Kocmankova Lucie (Czech University of Life Sciences Prague)
Accessibility of Information for Actors of Regional Development – Example of the Czech Republic

Skribans Valerijs (Riga Technical University, Faculty of Engineering Economics and Management)
Estimation of economic benefits of the joining of Latvia into European Union

Session L-08. Urban economy

Chairperson:

Timakov Ivan (Institute of Economics Karelian Research Center of Russian Academy of Science)

Modern features of regional housing policy

Schneiderman Inna Mikhailovna (Institute for Social and Economic Studies of Population of RAS)

Nozdrina Nadezhda Nikolajevna (Institute of Economic Forecasting of RAS)

Housing Conditions of Russian Population and Tasks of Housing Policy

Savchenko Daria Vladimirovna (Voronezh State University)

Regional brand creating: Voronezh example

Boykov Denis (Laboratory of municipal administration)

"Amorphous" status of city districts

Section M. Social policy.

Session M-01. Russian pension system: perspective of modernization

Chairperson: Solovyev Arkadiy Konstantinovitch (HSE)

Leykova Marina Ivanovna (Pension Fund of the Russian Federation)

Dontsova Svetlana Alexandrovna (Pension Fund of the Russian Federation)

Formula for pension calculation as a mechanism of provision of equivalence of pension rights and obligations in insurance pension system

Solovyev Arkadiy Konstantinovitch (HSE)

Korjov Maksim Andreevich (Deutsche Bank)

World Financial Crisis and Perspectives of Upgrading Pension System of Russia

Rzhanitsina Ludmila (Academy of Science)

About raising the retirement age

Tideman Thorwald Nicolaus (Virginia Polytechnic Institute and State University)

Plassmann Florenz (State University of New York at Binghamton)

Pricing Externalities and Providing Compensation

Session M-02. Social model and social inequality

Chairperson: Moskovskaya Alexandra (HSE)

Mezentseva Elena Borisovna (HSE)

Economic Growth and Gender Inequality in Russian Regions

Tarasova Natalia (Central Economics and Mathematics Institute RAS)

Macroeconomic Estimates of Population Damage from Social Sphere Commercialization (under Semiotic Methodology of Maintenance of Estimates Reliability)

Abazieva Kamilla Grigorievna (Moscow state university technology and management (Rostov branch))

Impact of population aging on the situation on the Russian labor market: gender aspect

Knogler Michael Anton (Osteuropa-Institut Regensburg)
Lankes Fidelis (University for Applied Sciences Munich)
Social Models in the enlarged European Union: Dimensions and Country Classification

Session M-03. Social potential of the older generation

Chairperson: Chetvernina Tatiana Yakolvevna (HSE)

Minnigaleeva Gulnara Afruzovna (HSE)
Pensioners in the labor market. Barriers to full employment

Khizhnyakova Irina (HSE)
Minnigaleeva Gulnara
Older people in small and medium cities in Russia: opportunities for social inclusion and productivity

Sabitova Liliya Mansurovna (HSE)
Minnigaleeva Gulnara Afruzovna (HSE)
Demina Kristina Vladimirovna (HSE)
The role of governmental and non- governmental organizations in realizing social potential of elder persons in Russia.

Demina Kristina Vladimirovna (HSE)
Sabitova Lily Mansurovna (HSE)
Minnigaleeva Gulnara Afruzovna(HSE)
Comparative analysis of the social policy in the regions towards the elder generation (Kemerovo and Orel regions)

Session M-04. The middle class in Russia: problems of formation during the modernization of the economy

Chairperson: Grigoriev Leonid Markovich (HSE)

Gudkov Lev Dmitrievich (Levada-center)
Is there a middle class in Russia?

Gontmakher Eugene Shlemovich (Institute of World Economy and International Relations)
Russian middle class - the motor of modernization or brake?

Grigoriev Leonid Markovich (HSE)
Economic crisis through the eyes of the middle class

Sobolev Anton Sergeevich (HSE)
Sobolev Irina Vladimirovna (HSE)
Urnov Marc (HSE)
Remington Thomas (Department of Political Science at Emory University)
The Middle Class in Four Russian Regions: Government Policies and Behavioral Strategies

Session M-05. Social capital, business and power

Chairperson: Sobolev Irina Vladimirovna (HSE)

Round John Phillip (School of Geography, Earth & Environmental Sciences, University of Birmingham)

Kuznetsova-Moreno Irina Borisovna (State Organization "The Center for Advanced Economic Studies at the Academy of Sciences of Republic of Tatarstan")
The role of social capital and informal economy in everyday life in contemporary Russia

Guvakov Vladimir Ivanovich (HSE)
Modernization contract between business and government in the space of lifestyles

Dontsova Svetlana (Pension Fund of the Russian Federation)
Global demographic crisis and increase of living standards of pensioners

Section N. Culture and Society.

Session N-01. Social differentiation, cultural and psychological differences

Chairperson: Urnov Mark (HSE)

Sobolev Anton (HSE)
Soboleva Irina (HSE)
Urnov Mark (HSE)
Heterogeneity of values and social dynamics in developed and developing countries

Selezneva Ekaterina (Osteuropa-Institut, Regensburg)
What makes Russian women (un)happy? A closer look at the family

Pliskevich Natali Michail ("Social Sciences")
The dynamics of human capital in the transforming society

Borusyak Liubov (HSE)
Russian middle class: has the crisis led to changes in social values?

Session N-02. The Culture and innovations

Chairperson: Lebedeva Nadezhda (HSE)

Lebedeva Nadezhda (HSE)
Sociocultural predictors of the attitudes to innovations

Kirik Tatiana (Kurgan State University)
Virtual communication - phenomenon which changes the world

Peter Schmidt (Justus-Liebig-Universität Gießen).
Culture and Innovation: A meta-analysis

Session N-03. Values and subjective well-being: consciousness and role models of Russians

Chairperson: Okolskaya Lidia Alexandrovna (Institute of Sociology (Russian Academy of Sciences))

Magun Vladimir Samuilovich (Institute of Sociology RAS, HSE)
Rudnev Maksim Gennadievich (Institute of Sociology, RAS; HSE)
Basic human values of the two Russian generations as compared with their European peers

Monusova Galina (Institute of World Economy and International Relations)

Subjective Well-being over Age: Russia among other Countries

Gryaznova Olga (Institute of Sociology of the Russian Academy of Sciences)
Russian and European Teachers: difference and similarities of their basic values

Okolskaya Lidia Alexandrovna (Institute of Sociology (Russian Academy of Sciences))
Komogortseva Maria Vladimirovna (Institute of Sociology (Russian Academy of Sciences))
Teen Girls Role Models in Glossy Magazines: Wellbeing and Rules of Its Attainment

Discussant: E. Danilova

Session N-04. Religion, ethnicity and modernization

Chairperson: Snegovaya Maria (HSE)

Koval Tatyana Borisovna (HSE)
The Concept of Democracy and Human Rights in the Orthodox and Catholic Social Doctrines

Efremova Maria Viktorovna (HSE , Laboratory of Social and Psychological Research)
Correlation between values and religious identity and economic attitudes in representatives of Christian and Muslim confessions.

Malashenko Alexei (Carnegie Moscow Center)
Islam and modernization

Pain Emil (HSE)
Dynamics of ethnic-political processes in post-Soviet Russia and its influence on modernization

Session N-05. Values, trust and social capital: cross-regional and cross-country comparisons

Chairperson: Tatarko Alexander Nikolaevich (HSE)

Latov Yury (Academy of Management of the Interior Ministry of Russia)
Latova Natali (Institute of Sociology)
The countries of ostslaven civilizations on a values map on G.Hofstedu

Petrenko Elena Serafimovna (HSE)
Three generations of Russians: a style of life and social capital

Pilipenko Anna (National mining university)
Voloshenyuk Vladimir (National mining university)
Lytvynenko Natalya (National mining university)
Regional mental map of Ukraine on G.Hofstede

Tatarko Alexander Nikolaevich (HSE)
Social capital and economic behavior models of Russians and Caucasians

Session N-06. Creative industries, development of territories and quality of life

Chairperson: Gordin Valery (HSE)

Fan Zhou (Institute for Cultural Industries, Communication University of China)
Regenerating Old Industrial Workshops: Experience from Ninth Cotton Textile Factory of Shanghai

Päivi Karhunen (Aalto University School of Economics)
Katja Ruutu
Aleksander Panfilov
Cultural industries in Russia: State of the art and development needs

Gordin Valery (HSE)
An innovative strategy for development of culture and life's improvement of Saint-Petersburg inhabitants

Limonov Leonid (International Centre for Social and Economic Research "Leontief Centre")
Tabachnikova Daria (International Centre for Social and Economic Research "Leontief Centre")
Role of Creative Industries in Preservation and Use of the Cultural Heritage and Provision of the Sustainable Development of the Area

Discussant – Abankina Irina

Round table N-07. Mobility and the creative potential of the territory

Chairperson: Limonov Leonid (International Centre for Social and Economic Research "Leontief Centre")

Hartley John (ARC Centre of Excellence for Creative Industries & Innovation)
Models of Creative Industries: Global development and strategic directions

Oding Nina (International Centre for Social and Economic Research "Leontief Centre")
Readiness Assessment of the objects of the historical heritage for using in implementation of the cultural potential of the territory

Yang Jenfei (Institute for Cultural Industries, Communication University of China)
Cultural industries in China

Savulkin Lev (International Centre for Social and Economic Research "Leontief Center")
Capabilities and limitations of creating innovative products in the region

Session N-08. Psychological factors in the economic processes

Chairperson: Gulevitch Olga Alexandrovna (Russian state university of humanities)

Deyneka Olga Sergeevna (Saint-Petersburg State University)
The representations of personal competitiveness and country's competitiveness

Gulevitch Olga Alexandrovna (Russian state university of humanities)
Employee's psychological dispositions and organisational justice evaluation

Sanina Anna (HSE (St.-Petersburg Branch))
Cognitive Construction of Socio-Economic Problems as the Factor of Social Inertia (on the Example of the "World Financial Crisis" Phenomenon)

Session N-09. Culture: Continuity and possible targeted changes

Chairperson: Koval Tatyana Borisovna (HSE)

Mikhina Natalia (Culture municipal organization "Celebratory Saratov")
Karpova Galina (Department of Social Anthropology and Social Work of Saratov State Technical University)
Social transformation of a holiday: ideology and practices of the Russian celebratory culture

Karpova Galina (Department of Social Anthropology and Social Work of Saratov State Technical University)
Field of cultural policy and its agents: vectors of changes

Lukova Valentina Vasilevna (Kursk State University)
Role of social memory in transformation of Russia

Kogay Evgenia (Kursk State University)
The advance of region's image in the communication expanse

Section O. Development of Healthcare System

Session O-01. Social rehabilitation and socially significant diseases.
Chairperson – Vlasov Vasiliy (HSE)

Zarochintseva Irina Vitalievna (Altay region non-government organisation "Positive development")
Non-medical service, or a complex psycho-social services that affect adherence to the example of care for people living with HIV / AIDS

Chernysheva Irina Konstantin (HSE)
Cost Reduction in the HIV Blood Testing

Karpushkina Anna (Institute for Family Health)
Brynza Natalia (Tyumen Oblast Health Department)
Gorbunova Olga (Tyumen Oblast Health Department)
Priority objectives for health care system to prevent mother-to-child HIV transmission

Puzin Sergey (RAMS Institute of occupational health)
Problems with disability rehabilitation technical supplies

Session O-02. Problems of increasing the efficiency of health care resources

Chairperson – Popovich Larisa (HSE)

Duganov Michael Davidovich (Department of health in Vologda region)
Methodological approaches to evaluating the effectiveness of spending on health care

Vartapetova Natalia (Institute for Family Health)
"Ways of improving the quality of medical care for women and children - ten years of experience of the project" Mother and Child Health initiative "in Russia"

Shvabskiy Oleg (Institute for Family health)
Vartapetova Natalia (Institution For Family Health)
Modern tools to assess the effectiveness of health care for women and children

Zasimova Liudmila (state university - HSE)
Koloslitsyna Marina (state university- HSE)
Determinants of Russian students healthy lifestyle

Kostyaeva Alena Igorevna (The Samara state medical university)
Sirotko Majya Leonidovna (The Samara state medical university)
Representations of modern students about medical activity

Section P. Sociology

Session P-01. Social problems of entrepreneurship.

Chairperson –

Soboleva Natalia Eduardovna (HSE)
Career success perceptions of business education students

Vilenskiy Alexandr Victorovich (the Institute of Economics, Russian Academy of Sciences)
Results of sociological research of coordinating-advisory bodies of SME in regions of Russia

Kiseleva Elena Sergeyevna (Institute for Complex Strategic Studies)
Attitude of Young People to Entrepreneurship: the Results of Survey in Russian Universities

Shabanova Marina (HSE)
Successful Entrepreneurs and Managers as modern community

Session P-02. Social problems of labor

Chairperson –

Anikin Vasiliy (HSE)
Modernization Capacity of Human Resources in Russian Economy

Davydenko Vladimir (Международный институт финансов, управления и бизнеса)
Work motivation: Socio-cultural aspect.

Andreanova Elena (Tyumen State University)
Influence of crisis on tendencies of development of labour motivation.

Vaskina Julia (Samara State University)
The level of organization of workers for hire as an actor of industrial relations

Session P-03. Cooperation, conflict and class consciousness

Chairperson –

Voronina Natalya Dmitrievna (HSE)
Conceptualization of Social Tense and Its Using for Forecasting of Human Behavior

Kozina Irina (HSE)
Vinogradova Elena

Problem of solidarity and leadership in the Industrial Conflicts

Vinogradova Elena (HSE)

Conflict and Cooperation in Employees/Management Relationships: Workers Perceptions

Simonchuk Elena (National Academy of Sciences of Ukraine, Institute of Sociology)

Class consciousness: experience of a comparative empirical research

Session P-04. Professions and professional mobility

Chairperson –

Burlutskaya Maria Georgievna (Ural State Pedagogical University)

Occupational mobility in post-industrial society: new patterns of professional success

Moskovskaya Alexandra Alexandrovna (Institute for social development studies HSE)

Professional knowledge and professional development in the frameworks of social entrepreneurship: pro et contra

Prisyazhnyuk Daria (HSE)

Medical profession under national reforms

Session P-05. Social well-being and modernization

Chairperson –

Moysov Victor V. (Non-profit organization "Zadorin sociological studio" (ZIRCON Research Group))

Russia's new Technopolis Skolkovo: the ratio of target audiences and their motivation to stay and work

Zadorin Igor V. (International research agency "Eurasian Monitor")

Differentiation of the indicators of social well-being and political loyalty in the CIS countries (based on cross-national research project "Eurasian monitor")

Ibragimova Dilyara (HSE)

Inflation Expectations: measuring and analysis

Mareeva Svetlana (Institute of Sociology - Russian Academy of Sciences)

Russians' request for modernization and a certain type of socioeconomic development

Session P-06. Financial behavior of population

Chairperson –

Khalina Natalia (HSE)

Digital money in contemporary Russia: attitudes and strategy to use

Zadorin Igor V. (Non-profit organization "Zadorin sociological studio" (ZIRCON Research Group))

The dynamics of the financial activity of the Russian population in 1998-2010 years (based on nationwide monitoring)

Kuzina Olga Evgenjevna (HSE)

Strategies of savings for retirement of Russians

Burdyak Aleksandra Ya (Independent Institute for Social Policy)
Russian households credit behaviour and economic crisis

Session P-07. Network interactions and their influence on behavior

Chairperson –

Semenov Alexander (HSE)
Network analysis of interactions in on-line communities of LiveJournal

Dubova Anastasiya (HSE)
Social mechanisms of the Russian police informal economic activity

Perfilieva Olga (International Organisations Research Institute (IORI) of HSE)
Shadrikova Arina (International Organisations Research Institute (IORI) of HSE)
Balasheva Valeria
Networking NGOs in Addressing Social Inclusion in Russia

Strebkov Denis Olegovich (HSE)
Shevchuk Andrey (HSE)
Opportunism protection at the service e-markets (based on the freelancer's and client's surveys)

Session P-08. Sociology of children and youth

Chairperson –

Chernova Zhanna (HSE SPb branch)
Young adults: normative prescriptions and life strategies

Omelchenko Elena (Centre for youth studies of HSE in St.Petersburg)
Subcultures, generations, solidarities? To the question of conceptualisation of new communication's forms among youth

Cherkashina Tatyana (Novosibirsk State University)
Dynamics of time and financial investment in human potential of children

Section Q. Theoretical Economics.

Session Q-01. Experimental economics

Chairperson – Belianin Aleksey (HSE)

Frye Timothy (Columbia University)
Are Reputation and the Rule of Law Complements or Substitutes? Evidence from Survey Experiments in Russia

Belianin Aleksey (HSE)
Factors of cooperative behaviour in experimental games

Cinar Yetkin (Ankara University, Faculty of Political Sciences)

An Experimental Analysis of Colonel Blotto Games: Decision Making Under Alternative Environments

Rohr Margarita (University of Valencia)

Deciding across multiple domains: an experimental investigation on the idiosyncratic components of individual and strategic decision making

Anufriev Mikhail (University of Amsterdam)

Hommes Cars

Evolutionary Selection of Individual Expectations and Aggregate Outcomes in Asset Pricing Experiment

Session Q-02. Game-theoretic models - 1

Chairperson –

Zenkevich Nikolay Anatolievich (Graduate School of Management St. Petersburg University)
Stable technological alliance model

Kokovin Sergei (Sobolev Institute of Mathematics Siberian Branch of the Russian Academy of Sciences)

Gorn Alexei

Zhelobodko Evgeny

Specific labor and comparative wages in new international trade: general case

Bykadorov Igor (Sobolev Institute of Mathematics, Siberian Branch of the Russian Academy of Sciences)

Kokovin Sergey (Sobolev Institute of Mathematics, Siberian Branch of the Russian Academy of Sciences)

Socially-efficient market power of a chain-store under monopolistic competition of producers

Zakharov Alexei Vladimirovich (HSE)

Fantazzini Dean

Euclidian or city-block? Estimation of voter preferences in a multi-dimensional probabilistic voting model.

Session Q-03. Game-theoretic models - 2

Chairperson –

Athias Laure (IDHEAP, University of Lausanne)

Soubeyran Raphael (INRA)

Counter-Incentives in Incomplete Contracts

Yurko Anna V (HSE)

The Value of Commitment: Marriage Choice in the Presence of Costly Divorce

Friedman Alla (HSE)

Efficiency of Decentralization under Imperfect Assessment of Water Discharge

Session Q-04. Game-theoretic models - 3

Chairperson – Barlo Mehmet (Sabanci University)

Barlo Mehmet (Sabanci University)
Urgun Can (Sabanci University)
Stochastic Discounting in Repeated Games: Awaiting the Almost Inevitable

Mouraviev Igor (HSE)
Buyer Power and Vertical Coordination in Bilaterally Oligopolistic Industries

Filatov Alexander Yurievich (Irkutsk State University)
The strategic behavior of the Cournot-firms and price-takers.

Ghosal Ratan Kunar (University of Calcutta)
Impact of asymmetric information on the allocation of credit in a small and marginal farm dominated backward agrarian economy

Session Q-05. Property rights models

Chairperson – Polishchuk Leonid (HSE)

Dubovik Andrei (Netherlands Bureau for Economic Policy Analysis)
Trade Secrets and Research Joint Ventures

Polishchuk Leonid (HSE)
Syunyaev Georgiy (State University -- HSE)
Property Rights and Political Competition: Another Causality

Vorobyev Pavel Vladimirovich (Severstal)
Private property rights protection and economic growth

Session Q-06. Political economy - 1.

Chairperson –

Matveenko Vladimir (Institute for Economics and Mathematics at St. Petersburg, Russian Academy of Sciences)

Korolev Alexei (HSE (St. Petersburg campus))
Stimulation mechanisms of ecologically motivated regulation: Why ecological policies in transition and developing economies are not effective?

Stragis Yury Pavlovich (Ural Federal University)
Modern neoclassical theory and criticism of its fundamental ideas

Bukin Kirill Alexandrovich (HSEI of Economics)
Levin Mark Iosifovich (HSE)
Modeling approach to ethnical discrimination on the Russian job market: group vs. individual reputation

Session Q-07. Political economy – 2

Chairperson – Yakovlev Andrei (HSE Institute for Industrial and Market studies)

Vasin Alexander (Lomonosov Moscow State University)
Urazov Anton
Nikolaev Pavel

Mechanisms for centralized corruption suppression

Libman Alexander (Frankfurt School of Finance & Management)

Tax Declaration as a Political Statement: Evidence from the Russian Governors

Kryuchkova Polina (HSE)

Self-regulation in Russia: the instrument of the state regulation optimisation or restriction of the competition?

Session Q-08. Financial Models

Chairperson – Nikitin Maksim (HSE)

Kibris Ozgur (Sabanc University)

On the Investment Implications of Bankruptcy Laws

Mochenkova Evgenia (VU University Amsterdam)

Houba Harold (VU University Amsterdam)

Optimal Antitrust Fines

Kurronen Sanna (University of Helsinki)

Financial Sector as a Driver of Economic Diversification in Resource-Rich Economies

Nikitin Maksim (HSE)

Double Contagion: The Impact of Globalization and Exchange Rate Regime on Financial Fragility

Section R. Firms and Markets.

Session R-01. Globalization of markets and the behavior of enterprises

Chairperson – Iwasaki I. (Hitotsubashi University)

Tomova Anna (University of Zilina)

Transnationalized Airports: New Phenomenon in Developing Countries or Myth?

Kuznetsov Boris (Institute for Industrial and markets HSE)

Gonchar Ksenia (Institute for Industrial and Markets HSE)

Impact of Globalization on Russian Industrial Frms' Behavior

Lingelbach David (Merrick School of Business, University of Baltimore)

Randolph Alan (Merrick School of Business, University of Baltimore)

The Role of Venture Capital in the Internationalization of New Ventures from Emerging Economies—an Institutional Perspective

Schmillen Achim (Institute for East European Studies Regensburg)

The Exporter Wage Premium Reconsidered - Destinations, Distances and Linked Employer-Employee Data

Session R-02. Corporate governance and control - 1.

Chairperson – Ruzhanskaya L. (A. M. Gorky Ural State University)

Stepanova Anastasia (HSE)

Ivashkovskaya Irina (HSE)

Kukina Elizabeth (HSE)

Does Economic Profit depend on Corporate Financial Architecture? Empirical evidence of pre-crisis and crisis periods in Russia

Kokoreva Maria (HSE)

Ivashkovskaya Irina (HSE)

DO CORPORATE FINANCING STRATEGIES CONTRIBUTE TO BUSINESS PERFORMANCE IN CENTRAL AND EASTERN EUROPE? EMPIRICAL EVIDENCE.

Levykina Kseniya Alekseevna (Humboldt Humboldt University in Berlin; HSE)

Comparative analysis of corporate governance models in BRIC countries

Session R-03. Corporate governance and control – 2.

Chairperson – Rodionov Ivan (HSE)

Dolgopyatova Tatiana (HSE)

Enlisting of hired managers: determinants and results

Bezhin Eugene Valer'evich (The Ural State University)

The Impact of Product Market Competition on Corporate Governance in Russian Firms

Iwasaki Ichiro (Institute of Economic Research, Hitotsubashi University)

Economic Transition, Firm Organization, and Internal Control: Determinants of Audit Structure in Russian firms

Berezinets Irina Vladimirovna (GSOM PU)

Ilyina Yulia Borisovna (Graduate School of Management St. Petersburg State University)

Muravyev Alexander (Institute for the study of labor (IZA, Bonn) and Graduate School of Management of St. Petersburg State University.)

Owners, Boards, Managers and the Private Benefits of Control: A Study of Dual Class Stock Firms in Russia

Session R-04. Ownership Structure.

Chairperson – Dolgopyatova Tatiana (HSE)

Simachev Yuri Viacheslavovich (Interdepartmental Analytical Center)

Kuzyk Mikhail (Interdepartmental Analytical Center)

The "new privatization": key priorities, possible role in the modernization of the Russian economy, different approaches and risks

Sprenger Carsten (International College of Economics and Finance, HSE)

Does Nationalization Work? Evidence from Russian State Takeovers

Betschinger Marie-Ann (HSE)

Bertrand Olivier (Graduate School of Management, St Petersburg State University and Toulouse School of Economics)

Performance of domestic and cross-border acquisitions: Empirical evidence from Russian Acquirers

Session R-05. Firms in the agricultural sector.

Chairperson – Epstein David (North – West Research Institute for Agricultural Economics)

Hahlbrock Konstantin (Leibniz-Institute of Agricultural Development in Central and Eastern Europe)

Hockmann Heinrich (Institute of Agricultural Development in Central and Eastern Europe)
Does Group Affiliation Increase Productivity and Efficiency in Russia's Agriculture? Evidence from Agroholdings in the Oblast Belgorod

Hockmann Heinrich (Institute of Agricultural Development in Central and Eastern Europe)

Gataulina Ekatarina

The significance of market transaction costs and technical efficiency for economic performance (cost rentability) in Russian agriculture
