

International College of Economics and Finance
University - Higher School of Economics

This is to confirm that

has successfully completed

the MSc programme in Financial Economics

of ICEF HSE.

The ICEF International Academic Committee, on which HSE and LSE are jointly represented, has designed the MSc programme with due regard to international standards for Masters degrees in economics, including with reference to the Qualifications Frameworks produced as part of the Bologna process and also by the UK Quality Assurance Agency for Higher Education. The Committee has designed and approved the curriculum and assessment methods for the programme. It has also appointed the teachers for the programme. The examinations have been set and marked under the supervision of external examiners with experience of examining Masters degrees in universities of a high level of repute in teaching Economics; the external examiners have been appointed by the Committee and specifically approved by the LSE representatives on it.
