Civil 20 Program for 2013

Marina Larionova,

Director of International Organizations
Research Institute, National Research
University Higher School of Economics

Civil 20 Action Lines in 2013

1. Developing proposals for G20 Working Groups
2. Preparing a report on equity “Sustained and Balanced Growth Requires Equitable Policies”
3. Mapping G20 Decisions Implementation: monitoring, consultations and update.

Civil 20 Working Groups

- Environmental Sustainability and Energy
- Food Security
- MDGs and Post 2015 Development Agenda
- Anti-Corruption
- Financial Inclusion and Financial Education
- Labor and Employment

Task Force on Equity

- Report for the June Forum
- Recommendations for:
 - G20 actions on the Framework for Strong, Sustainable and Balanced Growth
 - G20 Action Plan on Development

Mapping G20 Decisions Implementation

- Analysis of the feedback and update
- Monitoring compliance of the Los Cabos commitments
- Report to be presented on the eve of the St.Petersburg Summit
- Report is offered to general public, policy makers, scholars, researchers, civil society, the media, interested citizens and other stakeholders around the world in an effort to make the work of the G20 more transparent and accessible.
