earlier, and took note of the outstanding material required to complete the pending reviews of five other Members.

#### **IV. TRANSITIONAL REVIEW UNDER SECTION 18 OF THE PROTOCOL ON THE ACCESSION OF PEOPLE'S REPUBLIC OF CHINA**

6. At its October meeting, the Council undertook the eight annual transitional review of the implementation by China of its WTO commitments pursuant to Section 18 of the Protocol on the Accession of the People's Republic of China (WT/L/432), and agreed that the Chair, acting on her own responsibility, would prepare a factual report on the review to the General Council.<sup>5</sup>

#### **V. REVIEW OF THE PROVISIONS OF ARTICLE 27.3(b); RELATIONSHIP BETWEEN THE TRIPS AGREEMENT AND THE CONVENTION ON BIOLOGICAL DIVERSITY; AND PROTECTION OF TRADITIONAL KNOWLEDGE AND FOLKLORE**

7. At the Council's meeting in March 2006, the Chair recalled that, in paragraph 44 of the Hong Kong Ministerial Declaration, Ministers had taken note of the work undertaken by the TRIPS Council pursuant to paragraph 19 of the Doha Ministerial Declaration and agreed that this work shall continue on the basis of paragraph 19 of the Doha Ministerial Declaration and the progress made in the TRIPS Council to date. The Council agreed to maintain its present method of work on these matters at that stage, and to keep this method under review to assess whether any change might prove appropriate in the light of developments.

8. Accordingly, since the practice in the Council's past meetings had been that delegates address these three agenda items together, it has continued to discuss these three agenda items together on the basis of contributions by Members. The Council's work in 2006-2008 is described, respectively, in paragraph 7 of document IP/C/44, paragraph 8 of document IP/C/48, and paragraph 7 of document IP/C/51 (Annual Reports 2006-2008). In 2009, the Council continued its examination of the proposals by Members, in particular on the relationship between the TRIPS Agreement and the Convention on Biological Diversity. In these discussions, some delegations referred to a communication from Albania, Brazil, China, Colombia, Croatia, Ecuador, the European Communities, Georgia, Iceland, India, Indonesia, the Kyrgyz Republic, Liechtenstein, the Former Yugoslav Republic of Macedonia, Moldova, Pakistan, Peru, Sri Lanka, Switzerland, Thailand, Turkey, the ACP Group and the African Group to the Trade Negotiations Committee on "Draft Modalities for TRIPS Related Issues" circulated in July 2008 in document TN/C/W/52 and addenda 1-3. No new submissions were made to the Council.

#### **VI. NON-VIOLATION AND SITUATION COMPLAINTS**

9. At its meeting in March 2006, the Council had agreed to keep the item on non-violation and situation complaints on the agenda as a regular item so as to allow Members who would have new thinking to share it, and also enable the Council to consider improved ways of organizing its work on this matter. At its meetings in March and June 2009, the Council requested the Chair to hold consultations on the matter. At its meeting in October 2009, the Council agreed to keep open this agenda item and that the Chair continue her consultations on the matter. The Chair said that she hoped to be able to reconvene the Council once the further work was sufficiently mature, with a view to the Council agreeing on a recommendation to the Ministerial Conference.

The Chair urged those delegations that had not yet provided responses to the Checklist of Questions (IP/C/13 and Add.1) to do so, and said also that those Members that had already provided responses could provide updates to the extent there had been any significant changes to the way they provided protection to geographical indications.

13. As requested by the Council, the Secretariat periodically updated the note on the status of acceptances of the Protocol Amending the TRIPS Agreement.<sup>7</sup>

15. At its meeting in October 2009, the Council took up its seventh annual review of developed country Members' reports on their implementation of Article 66.2. At its meeting in October, it had before it a note by the Secretariat on "Least Developed Country Members' Priority Needs Assessments: the Aid-for-Trade Initiative and the Enhanced Integrated Framework" (IP/C/W/544). The Chair urged those least-developed country Members that had not yet provided information to the Council on their individual priority needs pursuant to paragraph 2 of the decision on the "Extension of the Transition Period under Article 66.1 for Least-Developed Country Members" to do so. The Council also continued its discussion of a communication Brazil had presented at its meeting in June 2008 entitled "Technical Cooperation and Capacity Building: 'Cluster' A of the Development Agenda" (IP/C/W/513).
