

**REPORT (2011) OF THE COMMITTEE ON  
TRADE-RELATED INVESTMENT MEASURES**

**I. GENERAL**

1. This report is submitted pursuant to Article 7.3 of the Agreement on Trade-Related Investment Measures ("TRIMs" Agreement), which requires the Committee on Trade-Related Investment Measures (the "Committee") to report annually to the Council for Trade in Goods. The Report covers the period October 2010 – October 2011.<sup>1</sup>

2. The Committee met formally once in 2011. This meeting was held on 3 October 2011 under the Chairpersonship of Mrs Zhao Hong (China). The minutes of the formal meeting may be found in document G/TRIMS/M/31. The meeting was open to all Members, governments with observer status in the WTO and international intergovernmental organizations to which the Committee has accorded regular observer status (IMF, OECD, UN, UNCTAD and World Bank). Decisions on requests for observer status made by several other international organizations are pending.

**II. NOTIFICATIONS**

3. Pursuant to Article 5.1 of the Agreement on TRIMs, Members were required to notify any trade-related investment measure ("TRIM") inconsistent with the Agreement within 90 days after the entry into force of the WTO Agreement. Article 5.2 of the Agreement allows for transition periods for the elimination of measures notified under Article 5.1 and which were in existence at least 180 days preceding the entry into force of the WTO Agreement. Pursuant to a decision adopted by the General Council in April 1995, governments eligible to become original WTO Members that accepted the WTO Agreement after 1 January 1995 had a period of 90 days after the date of their acceptance of the WTO Agreement to make the notifications foreseen in Article 5.1, with the period for the elimination of TRIMs notified under Article 5.1 being governed by reference to the date of entry into force of the WTO Agreement itself.<sup>2</sup>

4. Annex 1 to this report contains a list of all notifications of measures under Article 5.1.<sup>3</sup> In the case of some Members, notifications have been submitted later than the 90-day period foreseen.

5. Some Members have notified to the Committee that they do not apply any TRIM inconsistent with the Agreement. Annex 2 to this report lists all Members that have made such notifications.

6. Article 6.2 provides for notification to the Secretariat of publications in which information on TRIMs can be found. Annex 3 lists the Members that have submitted such notifications. During the period covered by this report, notifications were made by Lesotho and United Arab Emirates. As

<sup>3</sup> Notifications under Article 5.1 circulated in 1995 have been derestricted since 28 May 1996. Pursuant to the General Council's Decision of 14 May 2002 (WT/L/452), documents containing notifications under Articles 5.1, 5.5 and 6.2 are issued unrestricted.

agreed by the Committee at its meeting on 20 May 2009, the Secretariat has been circulating reminders every six months.<sup>4</sup> These reminders contain guidance for all Members to indicate what Article 6.2 and its related decision required and to request that any information submitted should also contain, if possible, any websites where relevant information could be found. The reminders also request all Members that had never notified such publications to do so without delay and request all Members that had previously notified to constantly update their notifications, if appropriate, without delay. The latest updated list of these notifications has been circulated in document G/TRIMS/N/2/Rev.21.

### **III. SPECIAL AND DIFFERENTIAL TREATMENT PROPOSALS RELATED TO THE TRIMS AGREEMENT**

7. Pursuant to the Decision adopted by the General Council on 1 August 2004 (WT/L/579) and paragraph 37 of the Hong Kong Ministerial Declaration (WT/MIN(05)/DEC), the TRIMs Committee continued its consideration of the Category II Special and Differential Treatment ("S&D") proposals which were referred to it by the Chairperson of the General Council.

8. The proposals were originally submitted by the African Group in document TN/CTD/W/3/Rev.2 and relate to Articles 4 and 5.3 of the TRIMs Agreement. In April 2007, Kenya on behalf of the African Group submitted a revised version of the proposals, which deals more specifically with the concerns of the proponents.<sup>5</sup> In June and October 2007, the Chairperson held informal discussions with interested delegations on the revised proposals. These were further discussed at the meeting of the Committee held on 1 November 2007 at which the representative of Kenya said that they were open to listen to any new ideas concerning these proposals, particularly with respect to the drafting, and that the African Group felt that it had gone as far as it could on this issue, unless there were other suggestions by other Members. No further revisions to the draft proposals have been received from the proponents since then. In accordance with paragraph 37 of the Hong Kong Ministerial Declaration, the Chairperson of the TRIMs Committee submitted an oral report (18 December 2007)<sup>6</sup> to the General Council on the work undertaken by the Committee with respect to the S&D proposals. At the Committee meeting of 23 October 2008, the Chairperson indicated that he would be willing to continue his informal consultations on this issue should Members so wish and would report back to the Committee and the General Council at an appropriate time on any further developments.

9. At the Committee meetings of 16 October 2009<sup>7</sup> and 1 October 2010, no delegation took the floor with respect to this issue and the Chairperson indicated that she had no further developments to report to the General Council in this respect. The Chairperson reiterated her willingness to continue informal consultations on this issue should Members so wish and would report back to the Committee and the General Council at an appropriate time on any further developments. She invited Members requesting such consultations to contact her or the Secretariat in this regard, but no such consultations were requested.

10. At the Committee meeting of 3 October 2011, no delegation took the floor regarding this issue and the Chairperson indicated that she had no further developments to report to the General Council in this respect. The Chairperson reiterated the willingness to continue informal consultations on this issue, should Members so wish, and indicated that any further developments would be reported

### S&D CATEGORY II PROPOSALS ON THE TRIMS AGREEMENT

#### Revised proposal received from the delegation of Kenya on behalf of the African Group

##### Proposal related to Article 4 of the TRIMs Agreement

Members shall interpret and apply Article 4 of the TRIMs Agreement in accordance with the balance-of-payments provisions referred to in Article 4 of the TRIMs Agreement, and in a manner that fully supports measures taken by developing and least-developed country Members to safeguard their external financial position, balance-of-payments and sufficiency of reserves, taking full account of paragraph 1.1 of the Ministerial Decision on Implementation-Related Issues and Concerns.<sup>1</sup>

Members shall interpret and apply Article 4 of the TRIMs Agreement in accordance with the provisions of Article XVIII of GATT 1994 referred to in Article 4 of the TRIMs Agreement, and in a manner that fully supports measures taken by developing and least-developed country Members to promote the establishment of a particular industry, taking full account of paragraph 1.1 of the Ministerial Decision on Implementation-Related Issues and Concerns.<sup>2</sup>

- In considering requests to apply TRIMs under Article XVIII of the GATT 1994, Members shall take into account any difficulties encountered by least-developed and developing countries in meeting the notification and consultation requirements contained in Article XVIII, paragraphs 14 to 19, and the WTO Secretariat shall accord them such technical assistance and support as they may need in order to prepare their notifications and to carry out those consultations.
- In order to assist **least-developed and other low-income developing** countries whose dependence on primary production is particularly high and whose overall level of industrialisation is particularly low to accelerate their industrialisation process and to diversify the structure of their economies in line with the objective recognized in Article XXXVI:5 of the GATT 1994 and its Ad Note, the phrase "free to deviate temporarily from the provisions of Article 2" that is contained in Article 4 of the TRIMs Agreement shall be understood to refer, in the case of these countries, to a reasonable period of time sufficient to establish the particular industry in question on a competitive footing.

##### Proposal related to Article 5.3 of the TRIMs Agreement

**Further to the Hong Kong Ministerial Decision in favour of least-developed countries on Special and Differential Treatment relating to the Agreement on Trade-Related Investment Measures<sup>3</sup>, other low-income developing countries** that demonstrate difficulties in implementing

<sup>1</sup> Paragraph 1.1 of the Ministerial Decision on Implementation-Related Issues and Concerns, adopted on 14 November 2001, "reaffirms that Article XVIII of the GATT 1994 is a special and differential treatment provision for developing countries and that recourse to it should be less onerous than to Article XII of the GATT 1994".

the provisions of the TRIMs Agreement shall be provided with a new opportunity to notify TRIMs and to request transition periods to eliminate the measures.

With regard to requests made in this area by **least-developed and other low-income developing country** Members under Article IX of the WTO Agreement, account shall be taken of their particular circumstances when setting the terms and conditions, including time-frames, under which transition periods are granted.
