

Who we  
are

How we can  
help you

Managed  
projects

# Our goal is to provide **resource support** for extracurricular projects of HSE students

We work in 3 directions:

1

**Consultations** for **planning** and **preparation** of student extracurricular events

2

**Organisational support** of student extracurricular **events**

3

Student project **contest** support

# **Consultations** for planning and preparation of student extracurricular events

- Registration of student initiatives
- Assistance in event planning provided for student organisations
- Paperwork consultation
- Informing of support opportunities from HSE
- Assistance in getting legal advice and other issues

- Logistical assistance:
  - event places search and booking
  - composing of attendance lists
  - composing of equipment shipment lists
- Order of transport and techniques needed
- Billing and payment
- Other organisational support

- Administrative support of Student project contest
- Acceptance and checking of contest applications
- Informing of contest procedures and milestones
- Educational activities for contest participants

# Details about Student project contest

## Aims of the contest:

- 1 To involve HSE students in finding solutions to **socially important** issues, to develop social enterprise
- 2 To develop leadership, teamwork and project management **skills**
- 3 To support **volunteering**
- 4 To promote HSE's **reputation**

**200.000** rubles was maximal financial assistance in 2015
