- 3) In next window you will see in a button New request, click it

4) After that list of themes will be opened:

List of my themes | Theme choice

On the list below you are able to find subjects for term papers or thesis for students of your educational programme suggested by HSE academic staff and approved by your Academic Supervisor. All the terms are approximate and this helps you to find out area of teacher's professional interest to work with.

**What you should do:**

- File an application for term paper subject and academic supervisor of your choice.
- Meet personally with supervisor you are interested in and discuss work's theme (check out work hours of teacher or academic staff at HSE personal web page).

Please mind that your teacher has a right not to confirm supervising of your term. In this case you need to make another application.
