

curriculum vitae

Denis Osipov

- 1) Denis V. Osipov
- 2) Born June 20, 1974 in Ryazan, Russia
- 3) Nationality: Russia
- 4) Education:
 - a) graduated Moscow State University in 1996 (Department of Higher Algebra, Faculty of Mechanics and Mathematics of MSU), under the supervision of Prof. A.N. Parshin, diploma with distinction, 1996;
 - b) postgraduate student of Higher Algebra Department of Mechanics and Mathematics Faculty of Moscow State University since 1996 till November 1999, under the supervision of Prof. A.N. Parshin.
- 5) Scientific degrees:
 - a) Ph.D. in mathematics, Moscow State University (March 2000); candidate dissertation (Ph.D. Thesis) titled "Local fields and coherent sheaves on algebraic curves and surfaces".
 - b) Second Russian Scientific Degree (Doctor *fisiko-matematicheskikh nauk*), Steklov Mathematical Institute (December 2013), Thesis titled "Categorical methods in the higher adelic theory and their applications".
- 6) Publications: see <http://www.mathnet.ru/eng/person/8521>.
- 7) Appointments (main):

December 1999 – present time: Leading Scientific Researcher, Department of Algebra, Steklov Mathematical Institute of Russian Academy of Sciences; Moscow, Russia.

February 2001 – April 2004: postdoctoral fellow of DFG (Deutsche Forschungsgemeinschaft)-Schwerpunkt "Globale Methoden in der komplexen Geometrie" at the Department of pure and applied mathematics, Humboldt University of Berlin, Germany.
- 6) E-mail:
