E-mail: k.struminsky@gmail.com

## EDUCATION

### **Lomonosov Moscow State University, Moscow, Russia**

Specialist in Mathematics, 2010-2015, GPA 4.8/5.0

- 2013 Course paper "On-line matchings"
- 2014 Course paper "On programmes for conditional Kolmogorov complexity"
- 2015 Qualifying paper "On joint transformation of a message into two other messages"
- 2014 (November) Seminar talk at Kolmogorov Seminar "On programmes for conditional Kolmogorov complexity"
- 2015 (April) Seminar talk at Kolmogorov Seminar "On polar codes and the Slepian-Wolf theorem"

### **Moscow Chemical Lyceum 1303, Moscow, Russia**

Class with advanced studies in physics and mathematics, 2007-2010

## ADDITIONAL EDUCATION

- 2012-2013 Yandex Data Analysis School, Department of Data Analysis
- 2013-2015 Attended advanced courses in mathematics at Independent University of Moscow, National Research University Higher School of Economics

## PROFESSIONAL INTERESTS

- Kolmogorov complexity
- Noisy-channel coding
- Algebraic codes
- Statistics and data analysis

## PROFESSIONAL EXPERIENCE

Practical work at the Institute for Information Transmission Problems of the Russian Academy of Sciences (Kharkevich Institute), Moscow, Summer 2014

## SKILLS

Computing: proficient in C/C++, familiar with Python, GNU Octave

Languages: English (C1)
