

Anton Zhevnerchuk: Curriculum Vitae

Born: 17 December 1995. Residency: Moscow, Russia
email: zhevnerchuk@gmail.com. Phone: 8(925)8806041

Education

- National Research University Higher School of Economics, Faculty of Mathematics
Degree: bachelor (2017); GPA: 8,77/10
Thesis: Shadowing Property in Systems with Singularities
Supervisor: Michael Blank
- Yandex School of Data Analysis, Big Data specialization
expected time of graduation: 2018
- Saint Petersburg Lyceum 239 (2013)

Rewards

- Prizewinner of Russian National Mathematical Olympiad (2010-2013)
- Silver Medal of Chinese National Mathematical Olympiad (2013)
- Silver Medal of Bulgarian National Mathematical Olympiad (2012)

Employment

- Teaching assistant in Calculus on Faculty of Computer Science, Higher School of Economics (2015)
- Juryman of the Kolmogorov Mathematical Cup for senior school students (2015)
- Instructor of mathematics, Center of Pedagogical Mastery (2016)
- Teaching assistant in Calculus, Independent University of Moscow (2016)
- Teaching assistant in Calculus on Faculty of Mathematics, Higher School of Economics (2017)

Skills

- Mathematics: Calculus, Probability Theory, Statistics, Dynamical Systems
- Programming languages: Python, C++
- Languages: English (IELTS: 7.5), Russian (native)

Talks

- “Shadowing lemma for locally expanding maps”, Information Technology and Systems 2016, Repino, St. Petersburg, Russia, September 29, 2016
- “On shadowing lemma”, Seminar on analytic theory of differential equations, Steklov Mathematical Institute, Moscow, Russia, November 30, 2016
