Curriculum Vitae,
October 2017

Name: Warren B. Thorngate

Birthdate: 9 October 1944, Los Angeles, California

Citizenship: Canadian

Address: Department of Psychology
             Carleton University
             Ottawa, Ontario K1S 5B6
             Canada
             e-mail: warren_thorngate@carleton.ca

Research Interests
Human judgment and decision making, social cognition, computer simulation of social processes, economics of attention, problem ecologies, cross cultural communication, social psychology of policy analysis, social aspects of computer use, methodology and statistics, international development

Education
1963   Andres Segovia Master Class in Guitar, Berkeley, California
1966   B.A., University of California, Santa Barbara (Psychology major, Mathematics minor
1968   M.A., University of British Columbia (Thesis topic: Social motivation and group decision making)
1971   Ph.D., University of British Columbia (Dissertation topic: Memory processes in multi-cue probability learning)

Teaching experience
2017   Visiting Scholar, Max Planck Institute for Human Development, Berlin
2016   Invited Professor, Psychology Department, University of Lower Silesia, Wroclaw, Poland
2010-present   Emeritus Professor, Psychology Department, Carleton University
1987-2010   Professor, Psychology Dept., Carleton University
2010 & 2011   Visiting International Fellow, Sociology Department, University of Surrey, UK.
2004-2009   Adjunct professor, Psychology Department, Tehran University, Iran
2001   Distinguished Visiting Professor, Department of Social and Decision Sciences, Carnegie Mellon University, Pittsburgh Pennsylvania
1999   Distinguished Visiting Professor, Institute for Social Studies, University of Warsaw, Poland
1999   Visiting Professor, Iran Language Institute
1998   Distinguished Visiting Professor, Institute for Social Studies, University of Warsaw, Poland
1997   Visiting Professor, Hormoz International University, Qeshm, Islamic Republic of Iran

1995	Distinguished Visiting Professor, Institute for Research in Planning and Development, Tehran, Islamic Republic of Iran
1994	Exchange Professor, la Universidad de la Habana, Cuba
1990	Distinguished Visiting Scholar, LaTrobe University, Melbourne, Australia
1986	Exchange Professor, Psychology Department, Leningrad State University
1986	Exchange Professor, Psychology Department, University of Warsaw
1985-87	Professor, Psychology Dept. and School of Business, Carleton University
1979-85	Associate Professor, Psychology Dept., Carleton University (tenure granted 1981)
1977-78	Visiting Professor, Departments of Computer Science and Zoology, University of California, Berkeley;
1976-79	Associate Professor, Psychology Dept., University of Alberta;
1970-76	Assistant Professor, Psychology Dept., University of Alberta (tenure granted 1975);
1963-70	Various research assistantships with Professors Charles McClintock, David Messick, Art Wingfield, Michael Humphreys, and Robert Knox.

Academic and Professional Responsibilities

Administration

1986-	Founding member, Computer User Research and Evaluation programme (now the Human Oriented Technology Lab), Psychology Department, Carleton University
1992-96	Director of Communication, Centre for Development Research and Training, Carleton University
1995-97	Academic Advisor for International Students, Carleton University
1996-97	Internet development coordinator for University of Havana project, Carleton University
2000-01	Coordinator of Master of Management Studies programme in Iran, School of Business Carleton University
2007-09	Scientific Director, Center for Social Psychology Research, Shahid Beheshti University, Tehran, Iran.

Teaching

Graduate courses:

The Psychology of Decision Making; Management Decision Making; Social Psychology; Research Methods in Social Psychology; Social Psychology and International Development; Conceptual Research in Social Psychology; Organizational Behaviour; Advanced Statistics; Descriptive and Nonparametric Statistics; Social Psychology and Social Policy; Social Issues in Computing; Social Aspects of Computer Use; Psychological Aspects of Computer Use; Applications of Computers to Thinking, Problem Solving, and Decision Making; Observation, Description and Explanation in Psychology; Development and Evaluation of Educational Materials; Psychology and Journalism.

Undergraduate courses:

Introductory Psychology; Experimental Psychology; Decision Making; Introductory Social Psychology; Social Cognition; Advanced Social Psychology; Research Methods in Social Psychology; Honours Seminar in Social Psychology; Group Processes; Social

Problems; Observation, Description and Explanation in Psychology; Organization Development and Change; Business Information Systems; First Year Seminar (social psychology of international development).

Student Supervision
<u>Postdoctoral supervision</u>
Louise Plouffe, 1983-84.

<u>Graduate thesis supervision</u>
Ken Tilly, M.A. 1972; Ronald Dyck, M.A. 1973; Tamara Ferguson, M.A. 1976; Linda Hatt, M.A. 1978; Gloria Baker-Brown, M.A. 1981; Odfridur Halla Thorsteinsdottir, M.A. (Psychology) 1984; Odfridur Halla Thorsteinsdottir, M.A. (International Relations) 1988; Zohar Streiner, MA, 1992; Miho Hotta, PhD, 1992; Fatemeh Bagherian, MA, 1993; Liu Hongmei, MA, 1996; Fariya Syed, MA, 1999; Khadijeh Aryan, PhD, 1999; Fatemeh Bagherian, PhD, 1999; Carla Krachun, MA, 2000; Louise Dulude, MA, 2000; Leila Fatehi, MA, 2002; Wang Zhigang, PhD, 2007; Liu Jing, PhD, 2007; Mahin Tavakoli, PhD, 2008; Francesca Ruscito, MA, 2009; Claudia Rocca, MA, 2009, Steve Shields, MA, 2009; Graeme Rassenti, MA, 2009, Wahida Chowdhury, current (2011).

<u>Honours thesis supervision, University of Alberta</u>
Shirley Housch; Eric Preville; Judy Maki; Tony Lysak.

<u>Honours thesis supervision, Carleton University</u>
Janet Heney; Kim Matheson; Carol Bernhardt; Lynn Walter; Jean Flanagan; Isabelle Roberge; Kathy Collins; Judy Neville; Robin McGee; Sheila Corrigan; Sylvia Eastman; Carolyn Syliwoniuk; Glen Menary; Rick Smith; Bryan Myers; Lana Todd; Anne Grice, 1990; Melanie Tincombe, 1990; Mark Lajoie, 1991; Paul Boileau, 1991; Kierstin Hatt, 1991; Annette Chambers, 1991; Mark Kelz, 1992; Aamna Ashraf, 1992; Marcela Villamizar, 1992; Devjani Sen, 1993; Marilyn Keyes, 1993; Xia Feilan 1994; Neda Faregh, 1998; Zareen Basheri 1999; Sherry Stevenson, 2003, Debbie Reid, 2006, Patti Baratta, 2006, Therese Berube, 2006, Kasia Kraszewska, 2006, Francesca Ruscito, 2007, Ze Hong Zhuang, 2009, Stephanie Barker, 2009.

<u>NSERC summer student supervision</u>
Ruth Currie, 1985 and 1986.

Teaching innovations
Development of "The Campus in a Box" for distance education
Workshops on the production of inexpensive education videos
Development of computer simulations of psychological and social phenomena for class demonstrations in three courses
Development of class exercises in speaking, writing and rhetoric for a course on conceptual research in social psychology
Participant, Study Group on Teaching and Learning in the Social Sciences
Development of interactive research methods and statistics course on CD ROM
Development of Introduction to Social Psychology course for television
Development of the Carleton University Master of Management Studies programme offered through the Qeshm Institute of Higher Education, Tehran, Iran

Writing workshops: Getting published in Western journals. Tehran University, 2005, 2006, 2007

Scholarly Studies and Research

Current research
Computer simulations of contests and group decision making procedures
Studies of attentional economics of information production and consumption
Cross cultural studies of problem-solution exchanges
Development of evidential statistics and Ordinal Pattern Analysis
The ecology of problems and limits of time

Research grants and contracts

Instrumental acts and interpersonal inferences. Canada Council, 1972-73, $4,850.

Information seeking and information processing. Canada Council, 1973-75, $4,170.

Cost benefit analyses of decision heuristics. Canada Council, 1976-77, $1,200.

Sabbatical research fellowship. Canada Council, 1977-78, $11,000.

Evaluation of legal education in Alberta. Alberta Legal Resource Centre, 1978-79, $10,000.

Computer analyses of verbal records. GSRO (Carleton University), 1979-80, $1,500

Temporal aspects of valuation. GSRO (Carleton University), 1980-81, $2,000

The experience of wisdom. SSHRC, 1981, $7,750.

The wisdom of the aged. SSHRC, 1982-83, $21,000.

The effects of communication technology on corporate decision making. Bell Northern Research, 1982, $13,700.

Employee reactions to MAILTRAC. Canada Post, 1982, $3,000.

Development of a computer-based conferencing system for the Canadian Psychological Association. SSHRC, 1983-85, $32,000.

Computer aids to group decision making, Carleton University, 1986-87, $4,500.

Computer aids to group decision making, SSHRC, 1986-87, $4,900.

Evaluation of a Latin American computer conference on Brucellosis, United Nations University, 1987-89, $8,000.

Donations of surplus equipment to developing countries, Carleton University, 1989-90, $3,000.

Administration of Brucella Network, United Nations University, 1990, $1,750.

Development of a practical guide to fair adjudications, SSHRC, 1991-1992, $35,000

Japanese text retrieval, Fulcrum Technologies, Ltd., 1991, $9,200.

Waskaganish text retrieval project, Waskaganish Cree, 1991, $11,000.

Proposal development for biogas conversion units in Addis Ababa, Ethiopia (with John Lambert, Biology Dept., Carleton University), Canadian Environmental Network, 1991, $2,752

Evaluation of the Media Integrated Curriculum project, Ottawa Separate School Board, 1992, $3,800

Evaluation of the Impact of Information on Development project, International Development Research Centre, 1992, $2,000.

Literature review of information research in developing countries, International Development Research Centre, 1993, $2,000.

Development of the "Campus in a Box" prototype, Carleton University, 1993-94, $10,000

Evaluation of Red de Redes (Network of Networks), ALIDE, Lima, Peru, 1993-95, $5,000.

Evaluation of Education Policy Analyst training and activities in Latin America, International Development Research Centre, 1994-96, $35,000.

International Society for Theoretical Psychology 10th Anniversary conference grant, Carleton University, $1,800.

Using Retired Professors as Team Teachers with Colleagues in Developing Countries, Society for the Psychological Study of Social Issues (SPSSI), 1995-96, $2,500.

Using Retired Professors as Team Teachers with Colleagues in Developing Countries, Canadian Bureau for International Education, 1995-96, $11,500.

Evaluation of International Students. Carleton University, 1995-96, $8,000.

Development of distance education programmes and materials at the Universidad de la Habana, Cuba. Canadian International Development Agency, 1997-2002, $752,000.

Website development for the Carleton University "MBone" project (with David Sutherland), 1997, $6,000.

Human-Computer Interaction Laboratories (with six colleagues), Canada Foundation for Innovation, 2002, $4.4 million.

The psychology of investment decision making, Ontario Problem Gambling Research Centre, 2002, $9,927.

Archival studies of grant proposal adjudication processes. Canadian Institutes of Health Research, 2002, $17,500.

E-commerce and human-computer interaction (with seven colleagues), Ontario Research and Development Challenge Fund, $3 million (with Gitte Lindgaard, Dick Dillon, et al).

Human factors issues in quality of experience with communication technology. Nortel Networks, 2003-4, $50,000 (with Gitte Lindgaard).

Society for Judgment and Decision Newsletter research grant, 2003-2006, $11,000.

The effects of proposal comparison policies on research grant success rates. Canadian Institutes of Health Research, 2004, $5,000.

Psychology in Iran website development, Association for Psychological Science (APS), 2006-2007, $5,000.

Improving the impact of labour market information. Human Resources and Skills Development Canada, 2009-2011, $389,000.

User reactions to End User License Agreements (EULAs). Ontario Research Network for Electronic Commerce & Canadian Internet Policy and Public Interest Clinic, University of Ottawa, 2006-2007, $20,000.

The everyday life of ordinary people: Making videos in Iran. Society for the Psychological Study of Social Issues (SPSSI), Sages Grant, 2007-2008, $1,000.

Improving access to labour market information. Human Resources and Social Development Canada, 2007, $19,000.

New internet technologies for delivering labour market information. Human Resources and Skills Development Canada, 2008, $14,700.

Changing the Rules. Has the end of 80/20 influenced peer review at CIHR? Canadian Institutes of Health Research, $20,952.

From the inside out: A user-centred approach to developing useful labour market infor-
mation. Human Resources and Skills Development Canada, 2009, $23,828.
A problem ecology approach to developing useful labour market information. Human
Resources and Skills Development Canada, 2009-2011, $291,365.

Professional Activities and Duties at Carleton
Guest lecturer for courses and workshops taught or conducted by Peter Kruus, John Sig-
ler, John O'Manique, Brian Little, Lloyd Strickland, Naomi Griffiths, Wes Webber,
John Callahan, Roland Thomas and Dick Dillon, Janet Carson, Gitte Lindgaard,
Margaret Foddy, Colleen Lundy, 1980-2012.
Psychology Department Colloquium Series coordinator, 1982
Member of assorted Honours Thesis, Masters Thesis, PhD Comprehensive Examination,
and PhD Dissertation committees (about 25), 1979-1985
Guest speaker, Faculty Spring Conference, Opinicon, 1982
Academic Advisor for International Students, 1994-1997
Acting Director of Carleton International, summer 1995, summer 1996.
Coordinator of Carleton MBA programme in Iran, School of Business, January 2000 –
June 2001.

Administrative duties
Coordinator of Introductory Psychology, 1973-75
Arts Undergraduate Advisor for Psychology Dept., 1972-77
Chairperson of Task Force on Job Opportunities for Psychology Majors, 1976
Member, Psychology Shop Committee, 1978
Member, Psychology Personnel Committee, 1980-81
Member, Psychology Graduate Committee, 1980-82 & 1984-85
Member, Faculty Committee on Student Evaluations, 1982
Member, Carleton/Edinburgh Video Conference Committee, 1984
Coordinator, Computer User Research and Evaluation Program,1982-
Director, Decision Making and Information Systems Centre, 1985-86
Member, School of Business Undergraduate Curriculum Committee, 1986-87
Member, School of Business Graduate Committee, 1987
Chair, Director Search Committee, School of Business, 1987
Member, Executive Committee, Institute of Soviet and East European Studies, 1988-89
Chair, Dean's advisory committee on Sunway twinning agreement, 1990
Member, Directed Interdisciplinary Studies Committee, 1990-1991
Director of Communications, Centre for Development Research and Training, 1989-
Member, Academic Senate, 1990-1993
Member, Senate Library Committee, 1990-1993
Chair, Department Library Committee, 1992-
Member, Psychology Department Undergraduate Committee, 1990-
Senate Representative, University Human Rights Committee, 1991-1992
Member, Student Appeals Committee, 1992
Member, National Capital FreeNet Organizing Committee, 1992
Member, Vice-President's Task Force on Technology Assisted Learning, 1993-94
Member, Vice-President's Task Force on Internationalization, 1996-1997
Member, Geomatics & Cartographic Research Unit, 1996-2000
Chair, Psychology Department Selection (Hiring) Committee, 1997-2000

Member, Graduate Committee, 1998-2004
Chair, Social/Organizational Psychology Hiring Committee, 2001-2003.
Coordinator, Social and Organizational Psychology committee, Psychology Department, 2002-2004.
Chair of the Graduate Committee, 2003-2004
Library representative, 2005-2007
Member, undergraduate committee, 2007-present

Professional Honours and Extra-university Activities
Visiting International Fellow, Sociology Department, University of Surrey, UK 2010 & 2011
Fellow of the Society for Experimental Social Psychology, 2009
Invited keynote speaker, Association of Computing Machinery, conference on Computer Supported Cooperative Work, Philadelphia, December 2000.
President, International Society for Theoretical Psychology, 1991-1993
Member, editorial board, Theory and Psychology, 1990-1999
Distinguished Visiting Scholar, LaTrobe University, summer 1990
Carleton University Exchange Professor, Leningrad State University, spring 1986
Carleton University Exchange Professor, University of Warsaw, spring 1986
Guest co-editor, Journal of Social Issues, Fall 1984.
Editor, Canadian Compendium of Social Psychology, 1978-79.
Associate editor, Personality and Social Psychology Bulletin, 1975-1977.
Associate editor, Newsletter of the Society for the Advancement of Social Psychology, 1975-77.
Coordinator, Section on Social Psychology, Canadian Psychological Association, 1979-1981.
Information Coordinator, Psychologists for Social Responsibility, Canadian Psychological Association, 1985-1987.
Member, Research Communication Committee, Canadian Psychological Association, 1983-1985.
Member, Executive Committee, International Society for Theoretical Psychology, 1989-1992.
Regular Columnist, "International Students", Teaching and Learning Supplement, This Week at Carleton, 1995-1997
Associate editor, Simulation & Gaming, 2005-
Manuscript and grant proposal reviewer for:
> Theory and Psychology;
> Journal of Behavioral Decision Making;
> Multivariate Research;
> Canadian Journal of Gerontology;
> Canadian Journal of Behavioural Science;

Membership in Professional Societies
Canadian Psychological Association, 1972-1988, 2006-.
Society of Experimental Social Psychology 1980-
International Society for Theoretical Psychology, 1986-1998
Society for the Advancement of Social Psychology, 1976-
Society for Judgment and Decision Making, 1983-
Society for the Psychological Study of Social Issues, 1988-
Interamerican Psychology Society, 1990-1999

Other Profession-Related Activities

Conference coordination
North American coordinator, 5th biannual conference of the International Society or The-
    oretical Psychology, held in Saclas, France, April 1993.
Co-coordinator (with Fran Cherry), 10th Anniversary conference, International Society
    for Theoretical Psychology, Ottawa, May 1995.

Invited colloquia and addresses
The concept of competition in psychology and biology. Zoology Dept., University of
    California, Berkeley, 1977.
Efficient decision heuristics. Psychology Dept., University of California, Santa Barbara,
    1977.
Memory, cognition, and social performance. Soviet-Canadian Conference on Social Psy-
    chology, Carleton University, 1977.
How do political campaigns affect political candidates? Psychology Dept., University of
    Lethbridge, 1978.
Ordinal Pattern Analysis. Psychology Dept., University of Calgary, 1981.
Life experience and philosophies of life. Psychology Dept., University of Ottawa, 1982.
Making computers useful. Fourth Annual Queen's University Conference on Gerontolo-
    gy, 1983.
Ordinal Pattern Analysis. Psychology Dept., University of British Columbia, 1983.
Ordinal Pattern Analysis. Psychology Dept., Queen's University, 1984.
The consumption of psychological knowledge. Calgary Conference on Metapsychology:
    Problems and Prospects, 1984.
The consumption of psychological knowledge. Psychologisches Institut, Albert Ludwigs
    Universitat, Freiburg, Germany, 1985.
The economics of attention and the marketplace of ideas. Psychology Department, Bish-
    op's University, 1988.
Attentional economics and communication system design. Bell Canada Systems Group,
    Ottawa, June 1988.

The social psychology of computing. Summer workshop, Bryn Mawr University, Pennsylvania, July 1988.s

The economy of attention and the development of psychology. Psychology Department, Queen's University, March 1990.

Attentional Economics I. Psychology Department, Monash University, July 1990.

Attentional Economics II. Psychology Department, La Trobe University, July 1990.

How to run an unfair contest. Claremont Graduate School, September 1991.

Inference vs. Evidence: Rethinking statistics in research. North American Federation of Adapted Physical Activity, Montreal, October 1992.

New developments in international computer communication. La Red Brucella de America Latina, Bogota, Colombia, December 1992.

The misuse of information in decision making. Inaugural conference, Peruvian National Computer Communication Network, Lima, Peru, March 1993.

Why people can't find information in the library. Inaugural conference, Peruvian National Computer Communication Network, Lima, Peru, March 1993.

The problems of bureaucracy and how to solve them. Peruvian National Insitute of Health, Lima, Peru, March 1993.

The marketing of Latin American information in North America. First REDUC information Marketing Workshop, Santiago, Chile, December 1993.

How to produce inexpensive educational videos. CIDE Workshop, Santiago, Chile, December 1993.

A social history of psychology in Canada. Facultad de Psicologia, la Universidad de la Habana, Cuba, February 1994.

New directions in statistical analysis. Facultad de Psicologia, la Universidad de la Habana, Cuba, February 1994.

Why the best person rarely wins. Facultad de Psicologia, la Universidad de la Habana, Cuba, February 1994.

The dilemmas of adjudicated contests. Sorbonne University, Paris, May 1994.

New educational technologies for technical education. International Congress of Technical and Vocational education, Tehran, Iran, May 1994.

Thorngate, W. What do psychologists know about economics? Institute for Research on Planning and Development, July 1995.

Thorngate, W. Prospects and problems of using the Internet for international education. Canadian Bureau for International Education annual conference, Ottawa, October 1995.

Thorngate, W., & Bagherian, F. Public Education in the 21st Century. Ministry of Education, Tehran, Iran, November 1995.
