

Oleksandr Diatlyk

Curriculum Vitae

National Research University Higher School of Economics
Myasnitskaya Ulitsa, 20
Moscow, 101000
Russia
Phone: +7(977)142-18-37

Email: alexdyatlik@gmail.com

Personal information

Date of birth: January 23, 1995
Citizenship: Ukraine
Place of birth: Rivne, Rivne region, Ukraine
Gender: Male

Education and degrees

2014-2017:

Taras Shevchenko National University of Kyiv, Quantum Field Theory
Department, B.Sc. in Physics

2017-present:

National Research University Higher School of Economics, Faculty of
Mathematics, M.Sc..

Fields of interest

Quantum field theory in curved space, mathematical physics, gravitation.

Schools and workshops

2017.

- School-conference on strings theory, integrable models and representations theory, Moscow, Russia.
- Winter school: Supersymmetry and applications, Feza Gursey Center, Bogazici University, Istanbul, Turkey

2016.

- School-conference on strings theory, integrable models and representations theory, Moscow, Russia.
- Workshops on “Advanced General Relativity”, Higher School of Economics, Moscow, Russian

2015.

- International workshop on “Particles, fields and strings”, Institute of radiation problems, Baku, Azerbaijan
