

Printing and Copying Services on Campus

In each building of HSE St. Petersburg you can find multifunctional printers “Xerox”. You can use them for copying, printing and scanning. This is a fee-paying service.

Where can I find printing machines?

- 3 Kantemirovskaya street, 4th floor
- 55 Sedov street, 1st floor
- 17 Promyshlennaya street, 4th floor
- 16 Soyuz Pechatnikov street, 2nd floor

How much does it cost?

one A4 sheet – 3 rubles

one A3 sheet – 5 rubles

How can I get access?

Step 1. Get your entrance card to the university (“*propusk*”)

Step 2.

Go to the university library and make sure you are added to the printing service system.

In any university library you can address a librarian who will check your “Virtual Printer” system and will explain you how to register your card in the printing system.

The libraries are located in each university building. Please mind the working hours of the libraries.

Step 3.

Fill your balance

Deposits to your printing account can be made online via

<https://pay.hse.ru/en/spb/other>. Before uploading money there, please, visit Library to make sure that you are in the system.
