## ACADEMICS & COURSES

### Courses Available

George Mason University is divided into ten schools or colleges. Exchange students are eligible to take courses from the following:

- [College of Education and Human Development](#)
- [College of Humanities and Social Sciences](#)
- [College of Visual and Performing Arts](#)
- [School for Conflict Analysis and Resolution](#)
- [Volgenau School of Engineering](#)
- [College of Health and Human Services](#)
- [College of Science](#)
- [Schar School of Policy and Government](#)
- [School of Business](#)

Students can search for courses in the [online catalog](#) to view all courses offered at Mason. To see courses offered in a specific semester, students can view [the schedule of classes](#). Fall classes go live in March and spring classes go

live in October of the year prior. Classes are generally offered in the same semester (i.e. a class offered in Fall 2017 is likely to be offered in Fall 2018).

## Restrictions

Exchange students are unable to take courses in the following subjects:

- Undergraduate Nursing courses
- J.D. courses offered at the Antonin Scalia Law School
- BMGT courses in the Master of Science in Management Program

While not restricted to exchange students, Computer Science courses fill up very quickly and have limited availability. Students should be prepared to find alternative subjects.

## Process

Students register themselves online once admitted. After initial registration, students can add or drop classes, generally through the first couple weeks of each semester. Registration will open in mid-April for the fall semester and mid-November for the spring.

Many courses at Mason have automatic prerequisites or requirements that will require a special course override. For example, the course may say it is not open to non-degree students (what exchange students are classified as). However, exchange students are exempt from this rule. Students will submit the “course override request(s)” questionnaire in their application after they have been accepted and will work with our registration specialist to get registered for the course.

### Required Course Load per Semester:

- 12 – 16 credit hours (undergraduate)\*
- 9 credit hours (graduate)\*

*\*Per visa regulations, fully online courses cannot count toward the number of credits registered*

At the completion of the semester, each student will receive one transcript free of charge mailed to their home university. Students can order additional transcripts for a fee [online](#). Fall transcripts will be mailed in February and spring transcripts will be mailed in July.

Additional information on academics can be found [online](#).

# HOUSING

## Undergraduate Students

### On-Campus Housing

Housing is guaranteed for undergraduate exchange students. Students are generally placed in double occupancy rooms in on-campus student dormitories. Mason offers two types of dormitories:

- **Suites:** Consist of either a double, single Δ, or triple room with a shared bathroom (a maximum of six residents will share a bathroom). A handful of suites have kitchenettes (sink, microwave, small refrigerator). Those living in suites **must** buy a [meal plan](#). Each student will receive a bed, chair, desk, dresser, and closet (free Wi-Fi and cable). Suite-style buildings include:
  - [Eastern Shore\\*](#)
  - [Mason Global Center](#)
  - [Piedmont / Tidewater / Blue Ridge / Sandbridge](#)
  - [Hampton Roads\\*](#)
  - [Whitetop\\*](#)
- **Apartments:** Consist of fully furnished unit with full kitchen, dining area, living room, and a combination of single Δ or double rooms with at least one bathroom (maximum of six students per apartment). Each student will receive a bed, chair, desk, dresser, and closet (free Wi-Fi and cable). Those living in apartments can choose to buy a [voluntary meal plan](#), but it's not required. Apartment-style buildings include:
  - [Liberty Square\\*](#)
  - [Northern Neck\\*](#)

- [Potomac Heights\\*](#)
- [Student Apartments\\*](#)

- [Rogers\\*](#)
- [Townhouses\\*](#)

Δ *Single occupancy dormitories are rarely available and are primarily reserved for students with disabilities.*

*\*Students studying abroad for the academic year who wish to spend any part of winter break at Mason should live in one of these dorms.*

To apply for housing, students will receive step-by-step instructions to complete the housing application after acceptance. After applying, students will receive a housing selection date and time. It is **very important** that students select their housing on their assigned date and time. Students who do not select housing during their assigned time will go to the end of the list and may no longer be guaranteed housing.

### Off-Campus Housing

Students wishing to live off-campus may utilize the services offered by Mason's [Off-Campus Housing Service website](#).

## Graduate Students

### On-Campus Housing

Unfortunately, we are unable to offer on-campus housing options for graduate students. There are an *extremely limited* number of rooms available at Townhouse Building A near the Fairfax campus. There are also rooms available at Beacon Hall on the [Science and Technology Campus](#). This campus is 30-60 minutes away from the Fairfax campus (by free shuttle) depending on traffic conditions.
