EDUCATION

BSc. Mathematics

2013-2017

Lomonosov Moscow State University (Kazakhstan's branch)

Faculty of Mechanics and Mathematics, Department of Mathematics

The Chair of Mathematical Theory of Intelligent Systems (MATIS)

GPA: 4.47 out of 5

MSc. Mathematics and Computer Science

2017-2019

Higher School of Economics / Skolkovo Institute of Science and Technology

Faculty of Computer Science

Statistical Learning Theory

EXPERIENCE

Deloitte Analytics Institute, Moscow

2018

Summer internship (machine learning intern)

Laboratory of stochastic algorithms and high-dimensional inference

Higher School of Economics

2018 - present

Research intern

RESEARCH INTERESTS

Markov Chains and stochastic stability, stochastic algorithms

SKILLS

Languages Russian (fluent), English (B2)

Knowledge Machine Learning, Deep learning, Time Series forecasting

Programming Skills: Python, C++
