**Online Application & Course Registration Process**

After nomination by the home institution, students will be asked to follow an online application procedure. Information on how to register will be sent directly to students via email. Exchange students must fill out their details online and upload the following documents:

PRACTICAL MATTERS

Prepare your arrival to France
Please check the International Student Office’s website: https://www.edhec.edu/en/iso/international-student-office

Accommodation
Once accepted in the EDHEC exchange programme, the International Students Office will contact you personally to inform you about available accommodation options for both Lille and Nice campuses. These options are on a first come, first served basis so it is best to reserve early as student housing is on high demand.

LILLE CAMPUS
Accommodation: On-campus accommodation is available in the EDHEC residence. 2 options are offered: kots and private studios. We suggest also off-campus options when offers are made available to us.

NICE CAMPUS
Accommodation: Only off-campus accommodation is available.

Visa & Residence Permit
Prior to your departure, please check on the French Ministry of Foreign Affairs whether you are required to apply for a visa or not. If you do not have a European passport, you must have a visa to study in France (even if you have a residence permit from a European country).

Exchange students are requested to provide the International Students Office with all official mandatory documents on the day of the Welcome Session (Please refer to your e-mails). Students who do not provide these documents cannot be accepted.

Health & Medical Coverage

EU students - Under 28 years old:
Visiting students coming from EEC countries must submit their European medical card. Citizens from Quebec must submit the SE-Q-106 form.

Non-EU students - Under 28 years old:
Students must take out the French national health insurance scheme (sécurité sociale, approximately 215€). It is mandatory under French law to be assigned to the French health insurance for students even if you have your own personal insurance in your country. However, the French social security starts on 1 September so students are required to be personally insured upon their arrival until that date.

All nationalities - 28 years old and above:
Visiting students older than 28, from different nationalities are required to take out an international medical plan no matter the duration of their stay. Proof of their health insurance will be asked upon arrival.
Frequently asked questions

Q: What kind of orientation, if any, do you provide?
A: The International Students Office offers a Welcome session which includes social activities and informational meetings. (Residence permit, medical coverage/care in France, academic information, etc.).

Q: What teaching methods are used?
A: Tutorials, lectures, workshops, seminars. Please consult the courses syllabus.

Q: What is the regular workload?
A: 30 ECTS is the regular (and maximum) workload per semester for EDHEC students. We have no rules for visiting students concerning the number of courses or credits that must be taken. The home university decides what the requirements are for their students (unless it is a Double Degree seeking student in which case they take all courses in their study programme, like regular EDHEC students). However, we strongly recommend for simple exchange students a workload of 30 ECTS.

Q: Can I change my course choice after the beginning of classes?
A: Once the Learning Agreement is approved by your home institution and signed, the modification of your course choice is not allowed. We strongly advise students to review carefully the syllabus of each course before choosing it, and to consult your coordinator before making a definite choice.

Q: Is class attendance mandatory?
A: Yes, class attendance is mandatory for exchange students. Absences, early leaves are not allowed during the exchange period, and sick leaves should be justified by a medical report. Beyond 1 absence per 15h course or 2 absences per 30h course, the penalty shall be a 2 point deduction from the final grade, this rule being applicable to all courses. In certain cases, students may be refused permission to sit their final exams. Attendance in classes is vital as it is not only the best interest of the student to attend classes regularly, but it also guarantees that groups function properly.

Q: Is the planning definite?
A: The planning is flexible and could be subject to modifications, so we advise you to check the schedule on daily basis. Exchange students expected to stay until the last day of the semester.

Q: What is the grading system used?
A: Scale from 0 to 20, 10 is a passing grade = you obtain credits. Below 10 it is a fail = no credits awarded.

Q: Do you offer make-up exams?
A: Yes, make-up exams are offered. Schedules will be given to the students during the exchange. Make-up exams cannot be taken outside of the EDHEC Lille or Nice Campus. No make-up exams will be organized for French classes.

Q: When do students receive their transcripts?
A: Official transcripts are sent to home university by email. Students have access to their grades and official transcripts via their web Aurion account. For the Fall semester: in February/March. For the Spring semester: in June/July.

Q: What are the facilities/services available?
A:
- Computers and wireless internet access on-campus
- Library
- Photocopy machines and printers
- On campus restauration in Nice and in Lille
- Sports facilities

Each exchange student is given an email account upon arrival.

Q: Do exchange students have access to our Career Center?
A: Exchange students will have the opportunity to participate in several corporate events (eg. job & company presentations). Please note that EDHEC cannot sign any placement contract for Simple exchange students and French companies. Students must make arrangements with their home university. Visa procedure during the internship period should be checked with the French Embassy in the home country.
