Dear Irina V. Ivashkovskaya

Bachelor of Economics in Economics
Bachelor of Economics in Economics and Statistics

I refer to your application for exemption accreditation in respect of the above programme.

I am pleased to advise that ACCA has now fully assessed this programme for accreditation. Cohorts will be eligible for exemption as follows:

Bachelor of Economics in Economics Bachelor of Economics in Economics and Statistics	
Papers F1	On completion
Paper F3	On the basis of Financial Accounting and Reporting
Paper F7	On the basis of International Financial Reporting Standards PLUS Corporate Finance

This programme will hold accreditation for a period of 5 years, for graduates from **01/01/2020** to **31/12/2024**. If any module changes should occur within this period, please let ACCA know as soon as possible.

Exemption from F9 has not been awarded. The modules considered for this paper were Investment Analysis PLUS Corporate Finance. Although we were able to find an adequate level of syllabus coverage, the exam papers were not comparable. The ACCA F9 exam paper consists of 5 questions which are predominantly practical and computational in nature and require candidates to assess amounts of background information before starting to formulate an

answer. We were only able to find 4 comparable questions in the examination samples you submitted.

Full details of the syllabus, study guide and examination papers are available on ACCA's website at <http://www.accaglobal.com>. This accredited programme will be communicated externally by ACCA via our web-based exemption enquiry database.
