13) In the opened window chose the needed option and click select.

## Booking a new accommodation option

1 Step 1: Select Placement Type

2 Step 2: Select Accommodation

### Sevastopol hotel

One of the biggest hotel complexes in Moscow. It is located in a residential area with well-developed infrastructure: metro, buses, shops, cafes, pharmacy and bank branches are within walking distance. The hotel has a pass control and around-the-clock security of the adjacent territory. HSE rents several floors of the Classic Building for student accommodation. This is a block type of accommodation. Price: from 13,000 to 29,000 rubles per month

[Select](#)

### Student housing center

Each floor of the hotel has a kitchen with a large number of seats. Fridges can be found in the common room. By the time students move in, a cafeteria with a range of meals will be in operation.

[Select](#)

14) Next, you choose the right flat and location for you. You can put filters by bed, number of roommates, budget, etc.
