To get consultation by SmartPoint Services Account please follow the steps below.

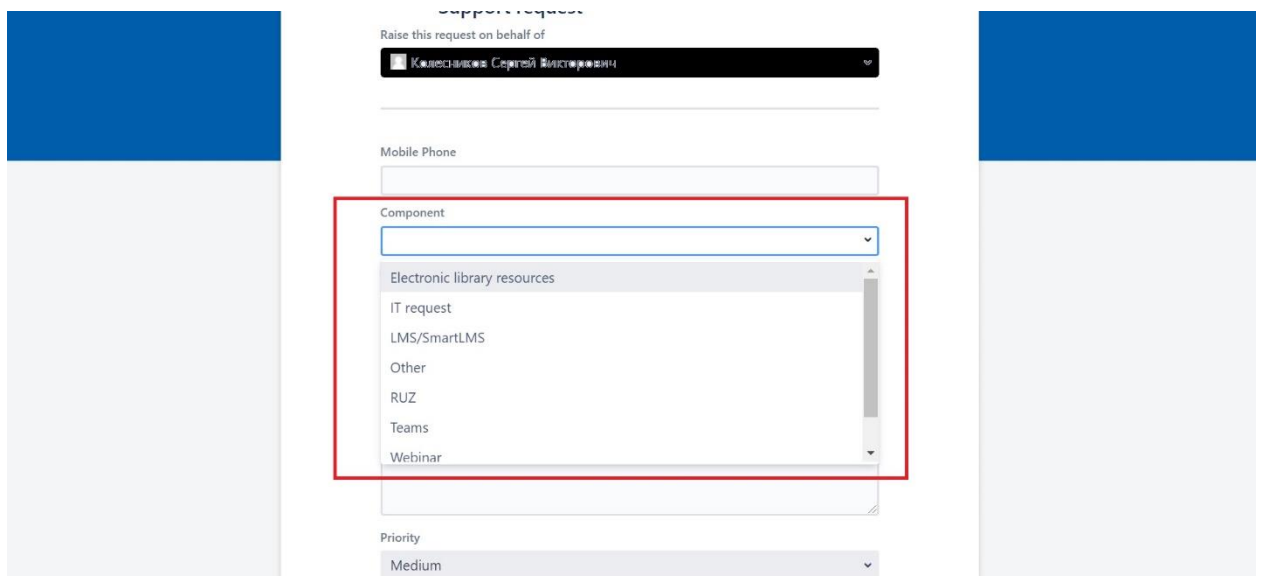

1. Follow the link <https://lk.hse.ru/> and go to the “Digital Buddies” section.

2. In Support request add your mobile number:

3. Click button to choose “Component” (topic) of request:

Annotation:

- Electronic library resources – questions about using library systems.
- IT request – questions about using corporate PC, internet connection, other questions about hardware and software.
- LMS / SmartLMS – questions about the HSE educational space that connects all participants of the educational process. It includes corporate e-mail support, teaching quality assessment, registration for selective courses, electronic gradebook and other services.
- Other – questions about services, that are not in this list
- RUZ – questions about the system of planning the schedule of training sessions.
- Teams – questions about communication platform MS Teams, used in HSE for educational process
- Webinar – questions about communication platform, used in HSE for educational process
- Zoom – questions about communication platform, used in HSE for educational process

4. Fill your question and detailed description of your question:

The screenshot shows a support request form with the following elements:

- A text input field at the top.
- A dropdown menu labeled "Component".
- A red rectangular box highlighting the "Your question" text input field and the "Detailed description of your question" text area.
- A dropdown menu labeled "Priority" with "Medium" selected.
- A dashed box labeled "Files (optional)" containing the text "Drag and drop files, paste screenshots, or browse".
- Two buttons at the bottom: "Create" (blue) and "Cancel" (grey).

5. You can choose priority of your support request:

Priority

Medium

Blocker

High

Medium

Low

Minor

Powered by ⚡ Jira Service Management

Blocking – the issue requires an immediate solution, which determines the ability to pass the test, pass the work/task, etc., the deadline for which has already come

Critical – the issue requires an urgent solution, without which it is impossible to perform educational tasks at a specific time

Medium – technical issue that requires consideration within the established deadline for consideration of requests by technical support (24 hours), the opportunity to participate in the educational process is preserved.

Low – technical issue, the solution of which does not depend on the educational process

Minor – technical issue mostly about curiosity

6. You can upload files or paste screenshots if it is necessary:

Priority

Medium

Files (optional)

Ⓜ Drag and drop files, paste screenshots, or
browse

Create Cancel
