OVER A DECADE OF EXCELLENCE IN ONLINE EDUCATION

'Gold' status (#1 among Russian universities) in the Times Higher Education (THE) Online Learning Rankings 2024

- 12 years of online education expertise
- 2.9 mln online course participants
- First online campus in Russia
- 38 fully-online programmes in English and Russian
- 12% of the overall student body is online students
- 7 500+ online degree students

TOP IN RESEARCH & EXPERTISE

First Russian university

to invest its own funds in creation of international laboratories

First state university in Russia

to employ academic talent from the international market

RESEARCH UNITS

- ~**150** research centres
- **190+** labs
- **30+** research institutes
- **50+** centres of excellence
- Centre for Advanced Research in Neuroeconomics & Cognitive Science
- Centre for Advanced Research in Science, Technology & Innovation
- **30** research journals

RESEARCH RESULTS

- **600+** research projects annually
- **1220+** articles and reviews in Q1
- **3450+** publications in leading journals indexed in major citation databases

AI RESEARCH CENTRE

HSE University is **one of 6 Russian leading research organizations** to receive a government grant for creating an AI centre

~ 30 applied AI projects

in finance, telecom, IT and tourism

Top A*-conf publications

(NeurIPS, ICML, KDD, etc.)

Top A*-conference publications

- **AI in bioinformatics:** drug efficiency prediction, personalized diagnosis based on DNA data
- **Reinforcement learning in applications:** from recommender systems to market-making
- **AI for industrial process** modeling and optimization
- **AI in ecology:** hazard detection and origin prediction
- **Generative AI** for material design
- **Human-AI interaction** in cultural environment: ethics
