As a European you think you know something about Russia but you don't really. You have to visit Russia to fully understand and experience it. I was quite amazed by everything here. I like the Russian mentality and the approach to getting to know people.

Gero Parzefall, Germany,
student of MA double degree programme with TU Berlin

I have also gained work experience that I wouldn't have had the opportunity to get in the EU. Additionally, I have improved my Russian skills quite a lot and have expanded my network internationally. I think I have more interesting contacts now in Moscow than in Italy.

Camilla Allegrucci,
student of MA Programme

STUDENT LIFE

Outside of the classroom, HSE students are incredibly active. Student clubs span everything from newspapers and magazines to performing arts to debating to the outdoors.

- **HSE Talks** is a platform for students to deliver mini lectures to their peers, about everything from fighting procrastination to writing like a journalist.
- **X-Sports Club** organizes expeditions open to all students, including hiking in the Caucasus and surfing in Morocco.
- Volunteering is very popular among students. Two clubs, **Open Your Eyes** and **ICEF Outreach**, raise money and organize visits and events for orphanages, nursing homes, and shelters.

Our students participate in a range of athletics, including volleyball, tennis, basketball, rugby, and swimming.

CELEBRATIONS

The beginning of the academic year is marked by HSE Day, which since 2011 has been held in Moscow's iconic Gorky Park. More than 5,000 students attended HSE's 2015 Graduation Party, which was Star Wars-themed and featured speeches by university "elders" and intergalactic dancing all night long.

CAFETERIAS

HSE has cafeterias throughout its buildings that serve breakfast, lunch, and dinner. You can expect Russian classics like salat vinegret (a salad of beets, carrots, potatoes, and peas), buckwheat, and medovik (honey layer cake), dishes from Central Asia and the Caucasus, like manti (dumplings) and khachapuri (cheese bread), as well as international staples like lasagna and beef stir-fry. Vegetarian options are always available.

LIBRARIES

As a HSE student, you'll have access to our five Moscow libraries and will be able to borrow from our extensive collection. HSE also provides on- and off-campus access to the most extensive collection of international electronic resources in Russia.

BUDDIES

HSE's Buddies Network is a group of Russian students who volunteer to help international students adapt to life at HSE and in Moscow. They will meet you when you arrive, help you find your way around campus, and share with you their favorite restaurants and secret spots that only locals know.

HOUSING

Moscow is a dense, sprawling urban center, but our comfortable and incredibly affordable dormitories are an excellent base for study at HSE. Dormitories are furnished and have free internet access, communal kitchens, and laundry facilities. All of our dormitories are accessible by public transportation.

«I lived in the dorms for three semesters and highly recommend it to incoming students.

The dorms are close to the university, there is free WiFi, we get clean sheets each week, and it's lots of fun.

We all gather for activities like cooking blini together and international food nights».
