Academic calendar:

www.ir.unibocconi.eu/calendar

Course offer in English: www.ir.unibocconi.eu/coe

Course/department restrictions:

Exchange students can select courses from any field of studies (Economics, Management, Finance, Law, Social Sciences, Politics and Data Science) provided that they are included in the exchange course list. The course list still refers to the 2018/19 academic year. It will be updated in July. We do not foresee any major changes. Undergraduate students can select courses at the undergraduate level only (codes 30xxx)

Compulsory fees: No compulsory costs are foreseen.

Health insurance: Bocconi does not require international students to have health insurance to complete enrollment in the exchange program.
